By: Akhil Jobanputra
This is who I was.

Aka Marium Hamid (your current SSM).
This is who I have become.

A better version, in my humble opinion.

Jk i love you Marium <3
What do I do?

➔ **Make y’all a nice, big family.**
   Bring Exec & Council closer together.

➔ **Sass and support you.**
   Help you in understanding what it means to be a councillor, and how to better serve your constituents.

➔ **Engage the student body.**
   Look at ways to better use our/your social media, as well as in-person marketing & consultations to let them know what we do.
Why is this important TO YOU?
I plan Council Retreat.

- Let me know how I can make it resourceful for you
- Talk to me about worries/concerns
- Social activities
I’m here to help make Council comfy & efficient.

- LMK if: you’re not confident, you don’t feel comfortable, you don’t know what to do, want to increase your productivity as a councillor, etc.
- Give me tips on the TL;DR documents
- If you’re not in town/miss training we can meet/Skype
New Council Voting System

- What is lacking/can be improved from the current system
Engage & Inform Students

- How we can reshape/further add onto our presence (social media + in person) regarding Council activity
- What you’d like to see in the Councillor Engagement Guidelines
1. Better relations, engagement, and knowledge of Executives & AMS Councillors.
2. Properly informed Councillors can thus better work in their constituencies.
Steps to becoming an efficient councillor

**Be Vocal & Represent**
Read documents on time, voice opinions of those you represent, not only yourself.

**Keep your constituents updated.**
Talk to the people you represent, look for avenues for consultation/surveys, and share what we do with them. #BeTransparent

**I’m a Councillor**

Get involved in committees
Whether it’s a formal seat or informal.

**Build a strong caucus. Build a strong council.**
Discuss the agenda and documents with your caucus, your constituency councils, and other members of AMS council.

**I’M A POWERHOUSE**
