

Deciding the fate of OrgSync

Background

- Current OrgSync contract ends in January 2017
- Should we renew?
- How much should we spend?

The good and bad

GOOD

- Makes our administration so much easier
- Makes strides towards centralizing information
- Introduced us the world of management software

DRAWBACKS

- High barrier for use
- Too much functionality
- ~\$30,000/year price tag
- Not for our specific needs
- Creates yet another platform for clubs to maintain

Recommendations

- Renew?
 - Nah
- Where should we look instead?
 - Creating our own system
- How much should we spend? ~\$120k
 - Annual cost of OrgSync x 4

What are your thoughts?
