

# Education Committee October 2014 Report

---

## What the committee has been working on

- Policy 69, Student Safety Abroad
  - Providing feedback on the re-working of this policy, from an academic perspective.
- Mid-Course Feedback Surveys
  - Went over the feedback survey questions and helped VPAUA/AVPA restructure and plan out different types of questions that may have been missing.
- International Tuition and Winter Session Housing Fee Increase Proposals from the University
  - Discussed academic implication of these fee increases and provided VPAUA office with thoughts to help shape the official AMS stance and action plan.

## Motions for council

- None

## Moving Forward

- Plan details for Academic Forum more vehemently and proactively as term 2 approaches.
- Continue working with VPAUA office, while hopefully becoming more engaged with other projects in the office.
- Move away from feedback-centric involvement, and more towards helping shape new initiatives (like helping shape Academic Experience Survey questions, Mid-Course Feedback Survey structure, and other such things).

If you have any questions with regards to the above information, or would like clarification on something I didn't mention in this report, please feel free to send me an email at [educom@ams.ubc.ca](mailto:educom@ams.ubc.ca).

Sincerely,
