THE CLUB RESOURCE & SUSTAINABILITY CENTRE
THE ONE STOP HUB FOR AMS CLUB EXECUTIVES AND STUDENTS
1. A space with access to resources that support the actions and initiatives of club executives.

2. Build community and meet other club executives.

3. Encourages the personal and professional growth of club executives.

4. Supports and encourages the incorporation of sustainability initiatives into student life and club actions

WHY A CLUB RESOURCE CENTER?
WHY A CLUB RESOURCE CENTER?

- The space in practice
- Equipment and resources available in one area
- Interactive dashboard

- Culture
- Community Development

- Internalizing Resources
- Strengthening the economy within the AMS
LACK OF SUPPORT FOR CLUB EXECUTIVES WITHIN THE SUB OR NEW SUB SPACE
WHY IS IT NECESSARY?

INSTIGATE A BEHAVIOUR CHANGE IN CLUB EXECUTIVES AND MEMBERS TOWARDS SUSTAINABLE ACTIONS.

WHY IS IT NECESSARY?
Clubs have a huge impact on campus that is often under valued. Creating a space that contributes to their success in building community within their organizations is key.
CLUB CONSULTATIONS
HEARING FROM CLUB EXECUTIVES
SAC Tea Parties next week will be focusing on:
- What are your club’s physical needs? (equipment, etc...) 
- What time of the year is there most need for this space
- What are your club’s current sustainability practices?

WHAT MAKES THIS SPACE UNIQUE?

CLUBS CAN RENT EQUIPMENT WITHIN THE NEW SUB OPPPOSED TO GOING OFF CAMPUS
PROGRAMMING
THE PEOPLE AND THE ACTIVITIES
**THE PRC**

200 Residence Advisors  
80 Council Members  
= 280 potential users

Measured 500 visits in 20 days

Average about **25 visits** a day which is **9%** of users per day.

---

**THE CLUB RESOURCE CENTER**

350 Clubs  
825 Executives

Assume 10% of potential users visit the space per day

**83 visits per day** which averages to **2490 visits per month**
STAFF STRUCTURE AND HOURS OF OPERATION

Monday to Friday & Saturday
10AM – 6PM & 11AM – 5PM

Total of **46 hours** of operation per week

Suggestions:
• 2 – 3 paid staff (15-24 hours per week)
• 1 – 2 volunteers

• Paid staff would be responsible for
  • Inventory
  • Keeping track of supplies/equipment
  • Trouble shooting with equipment
  • Helping with printing
  • Providing support and guidance to executives
  • Building community in the space
  • Overall managing the space
EQUIPMENT AND FURNITURE

THE SPACE REQUIREMENTS THAT DON’T ALREADY EXIST
THE EQUIPMENT AND FURNITURE

EQUIPMENT:

• Computers (2-3)
• Printer
• Static and Flexible work stations
  • Surface area to work
• Front Desk & Shelving
• AV and other equipment
• Access to other resources a club might not always buy or have access to
WHAT WILL THE SPACE LOOK LIKE EVERY DAY?

A DYNAMIC AND RESOURCEFUL SPACE WITHIN THE AMS THAT FOSTERS STUDENT ENTERPRISE, COLLABORATION, AND SPARKS A BEHAVIOUR CHANGE TOWARDS SUSTAINABLE AND FORWARD THINKING PRACTICES OF CLUBS.
YEAR 1: Focus on the basics – resources, staff, and policy of the space.

YEAR 2: Continue to build resource stock. Focus on building rapport with Clubs, the Club community in the space, and sustainable practices.

YEAR 3: Strong culture and community with an emphasis on collaboration and forward thinking.
YEAR 4: Personal and Professional Development of Club Executives to further their leadership potential. Outreach to clubs and to students who are interested in getting involved with Clubs on campus.

YEAR 5: The Club Resource Centre is known by Club Executives as the place to access resources, have support in their club initiatives and practices, meet other like minded students, and have the opportunity to learn and develop their leadership skills within the AMS. It can also be an entry point for students to get involved with AMS societies and organizations.
