BASIC DETAILS

• New elections timeline structure – additional two weeks was nice for preparation – but possibly caused additional drop-outs?

• Ballot opened without a hitch on March 9 at 12:01am and closed on March 13 at 5:00pm.

• Polling stations in SUB, Totem, Sauder, Forestry, Wood, Kaiser, and some roaming teams on final days.
VOTERFUNDED MEDIA

• Small adjustments to rules – 5 post minimum;

• A few blogs that were quite engaged in the process from stage one

- AMS Elections 101: $255.6
- #IAmABlog: $255.6
- The Syrup Trap: $312*
- UBC Insiders: $255.6
- UBC Underground: $225.6
- Vote for Left Shark: $195.6
TURNOUT

• 6155 votes cast
• 12.9% voter turnout

• Comparison:
  • 2014 – 22.4%,
  • 2013 – 43.9%,
  • 2012 – 11.6%,
  • 2011 – 11.9%
  • This election year totally absent of referenda

• Abstention average of 22.3%
TURNOUT

- Increasing complaints surrounding mail blasts.
VOTER IRREGULARITY

• 2AM on Friday March 13  →  informed of graduated students being able to vote,

• Irregularity was noticed as those who graduated in Term 1 still having the ballot open to them,

• Turned out this was the result of miscommunications over the definition of an “AMS Member” in past years, although those who were only enrolled in courses in Term 1 could not vote in 2014W election.
IRREGULARITY: MEMBER DEFINITION

From Bylaws:

**ACTIVE MEMBERS**

Active members shall be those persons who are not in default of payment of the fees of the Society, as determined in accordance with Bylaw 14, and who:

i) are **enrolled in a degree or diploma program** administered by UBC Vancouver or an Affiliated Institution; or

ii) are **registered in a credit course**; or

iii) were registered in a **credit course on the last day of March** of the current Academic Year.
IRREGULARITY: MEMBER DEFINITION

The voters identified were:

- No longer enrolled in a degree or diploma program
- Not currently enrolled in a credit course
- Not subject to the clause re: registration on the last day in March

Thus, these votes were deemed illegitimate.
IRREGULARITY: RECTIFICATION

• Early morning – Worked with Todd in UBC IT to deliver a list of voters who met the criteria that would deem them ineligible as previously defined. We were able to pull a list including their associated unique voter ID’s.

• 2:00PM – Phone meeting with Brian from SimplyVoting to determine best course of action. Decided to attempt to discard ineligible votes from system.

• 3:30PM – UBC IT confirmed that they would be able to pull the segmented voters from the list and discard their votes.

• 4:55PM – Server command is run and votes are discarded.
IRREGULARITY: RESULTS

• UBC IT was requested to keep temporary data files associated with deleted electors so that a separate results sheet could be tabulated,

• In total, 83 votes were discarded.
Inclusion of the votes would not have impacted the outcome of any of the electoral races.
### THE RESULTS!
