

AMS Executive Objectives 2016-2017

Team Wide Goals

Reconstructing Communications

- Website Overhaul
- Better Integrating with the rest of campus & UBC Campaigns
- Non – Traditional Outreach

Student Society
of UBC Vancouver

A screenshot of the AMS website. The header includes the AMS logo and the text 'Student Society of UBC Vancouver'. There are social media icons for Facebook, Instagram, LinkedIn, Twitter, and YouTube. A 'Select Language' dropdown menu and a 'Search' button are also present. The navigation menu includes links for 'about', 'clubs', 'events', 'food & drink', 'jobs', 'leadership', 'services', and 'the nest'. The main banner features the text 'THIS IS YOUR NEST' in a stylized font, with a 3D rendering of a building and a location pin. Below the banner is a row of icons representing various services: Food and Drink, Conferences+Catering, Clubs, Mobile App, Health and Dental, U-Pass, Finances & Funding, and Council Summaries. The footer includes a 'Headlines' section with the text 'AMS Welcomes New UBC President, Dr. Santa J. Ono' and a 'Tweets by @AMS_UBC' section.

Goals of the VP Administration

“Student” Nest

- Nest Review: currently speaking with SEEDS to conduct study in term 1
- Bookings: Revisit bookings policy and review bookings system
- SUB Renovations: Completing the renos with students’ best interest in mind

Better supporting student groups

- Student Life and Sustainability Centre: Re-launching the SLSC to maximize the space's potential to serve student organizations and the AMS' commitment to a more sustainable future
- Improved Structure: Revamping structure of the clubs system to increase efficiency and better educate students of the resources available
- Conflict Management: Integrating education on club issues into the new structure (SASC + Ombuds)

Creating community in the Nest

- Nest Animation: Working internally to increase the fun factor of the Nest
- Increasing student presence: Working with groups around campus to increase the fun factor of the Nest
- Arts and Culture: Working with groups around campus to increase the presence of arts and culture in the Nest

Art rental program

- Creating rental program structure: creating a structure through which third parties can rent pieces from our permanent collection
- Repairing the collection: investing in the collection to increase the value of the pieces we own

Decreasing waste in the Nest

- Coffee cup discount program: creating a financial incentive for students to bring their own mugs instead of using coffee cups
- Mug-share program: Working with SEEDS to set up a mug-share program out of the SLSC
- AMS business foodware replacement: researching replacing the foodware currently used by AMS businesses to decrease confusion about recycling and to decrease waste overall
- Increasing AMS accountability on Sustainability: To be decided

Goals of the VP Finance

AMS into 21st Century

- Implement new financial systems to benefit all AMS Clubs and Constituencies and allow for more efficient management of finances and increase in revenue.

Student Professional Development

- Increase Student Professional Development for Clubs and Constituencies by offering services to increase financial literacy and offering leadership training.
- Work with our student services manager, e@ubc, and Centre for Student Involvement and Careers

Restructure AMS Financial Resources

- Re-evaluate the current student fees structure to ensure the best allocation of student funds. The AMS needs to implement a long-term strategic plan for student fees.
- Review all business metrics to figure out how to generate more revenues to contribute to the AMS revenue.
