Business

The Committee successfully drafted changes to the Constitution and Bylaws for compliance with the incoming *Societies Act*, as well as a revision to the Referendum Rules. All of these were approved and endorsed by Council on 10 February 2016 to be run as referendum questions.

The Committee will now work on the Code provisions to accompany the hopefully impending Bylaw changes, as well as other matters which were put on hold during the Bylaw drafting period.

Goals

- Discuss and draft the aforementioned Code Changes
- Prepare for summer turnover
