Referendum Question 1: Arts Student Space

The Arts Student Centre is a proposed standalone student building that will increase the study, social, and recreational space available for Arts undergraduate students.

For more information on the Referendum Question, go to http://www.referendum2013.ca/

The Arts Student Centre will be funded by charging an annual $15.00 fee to every Arts undergraduate student starting in September 2013, and will increase in September 2018 to a yearly fee of $25.00 until the cost of the building is paid off.

Do you support the creation of a fund for the Arts Students Centre with the above fee structure?

Note:
- If this referendum question does not pass, the Arts Student Centre cannot be built.
- The $25.00 dollar fee will be adjusted to the BC Consumer Price Index starting in September 2019.
