SECTION II: COUNCIL, COUNCIL MEMBERS AND OTHERS

Article 1. Conflict of Interest for Directors of the Society

1. Voting members of Council, as Directors of the Society, shall act honestly and in good faith in the best interests of the Society as a whole, and exercise the care, diligence and skill of a reasonably prudent person in carrying out their duties.

2. Directors shall use the utmost care and discretion in the handling of confidential and privileged information and shall not use such information for personal benefit or gain. Furthermore, Directors shall not disclose any information discussed in an in camera meeting of Council without the authorization of Council.

3. No Director may, in his or her role as a Director, participate in any decision, exercise an official power or perform an official duty or function in which he or she may have either a conflict of interest or an apparent conflict of interest.

4. (a) Without limiting the generality of paragraph 3 above, if a Director has a conflict of interest or an apparent conflict of interest relating to an issue being deliberated on by Council, or a Committee of Council, he or she shall declare the nature of the conflict and abstain from speaking or voting on the issue, or on any subsidiary motion related to the issue, except to raise a question of privilege.

(b) If a proxy is attending Council or a Committee of Council in the place of a Director who has a conflict of interest or an apparent conflict of interest, or if the proxy themselves has a conflict of interest or an apparent conflict of interest, the proxy shall state the nature of the conflict and abstain from speaking or voting on the issue or on any subsidiary motion related to the issue, except to raise a question of privilege.

(c) Paragraphs (a) and (b) above notwithstanding, at the request of the Chair, or if Council or the Committee so directs by Resolution, the Director or proxy may answer questions pertaining to the issue on which they have a conflict of interest or an apparent conflict of interest.

(d) For greater certainty, the rules restricting participation in paragraphs (a) and (b) above shall apply during discussion of an issue even if no formal motion is on the table.

5. If a Director or proxy who has a conflict or apparent conflict of interest is chairing a Council or a Committee of Council, they shall relinquish the chair while the issue on which they have a conflict or apparent conflict is being discussed.

6. If Council, or a Committee of Council, moves in camera to discuss an issue on which a Director or their proxy is in a conflict of interest or an apparent conflict of interest, that
Director or proxy shall be required to remove himself or herself from the in camera session in which the issue is to be discussed, unless specifically invited to stay by a Two-thirds (2/3) Resolution of Council or the Committee.

7. In the event that a Director is uncertain about whether or not he or she is in either a conflict of interest or an apparent conflict of interest, the Director shall inform Council or a Committee of Council of the possible conflict and the Chair shall decide whether there is an actual conflict. If the Chair’s decision is appealed, or if the issue of a Director’s conflict becomes a resolution before Council, or a Committee of Council, for any other reason, then that Director shall abstain from speaking or voting on the resolution.

8. If a Director believes that another Director may be in a conflict of interest or an apparent conflict of interest, he or she shall ask the Chair to decide the matter. If the Chair’s decision is appealed, or if the matter becomes a resolution before Council or a Committee of Council for any other reason, then the Director who is in a possible conflict shall abstain from speaking or voting on the resolution.

9. If the Managing Director or the Senior HR Manager believes that a Director may be in a conflict of interest or an apparent conflict of interest, he or she shall ask the Chair to decide the matter. If the Chair’s decision is appealed, or if the matter becomes a resolution before Council or a Committee of Council for any other reason, then the Director who is in a possible conflict shall abstain from speaking or voting on the resolution.

10. A Director has a conflict of interest when the Director, in his or her capacity as a Director, exercises an official power or performs an official duty or function and at the same time knows that in the exercise of the power or in the performance of the duty or function there is an opportunity to further his or her private interest. A Director shall also be considered to be in a conflict of interest on an issue if the issue concerns relations with an organization outside the Society and if the Director serves on the board of that other organization, unless the Director is serving on the other board by virtue of being the Society’s representative on that board.

11. A Director has an apparent conflict of interest if there is a reasonable perception, which a reasonably well-informed person could properly have, that the Director's ability to exercise an official power or perform an official duty or function, in his or her capacity as a Director, may have been affected by his or her private interest.

12. A Director must not use his or her office to seek to influence a decision, to be made by another person, to further the Director's private interest.

13. A Director’s private interest shall include the private interests of his or her family and the private interests of a companion, business associate or a close personal friend of the Director.

14. The definitions of conflict of interest and apparent conflict of interest for Directors in
paragraphs 10 through 13 above shall apply to proxies. In addition, any proxy who is an employee of the Society shall be considered to be in a conflict of interest on all issues that come before Council or a Committee of Council.

15. (a) No Executive Member of Council or other Director of the Society may accept a fee, a gift, a personal benefit or hospitality that is offered or tendered by virtue of his or her position as an Executive or a Director, unless authorized to do so by Council.

(b) Subsection (a) above does not apply to a gift or personal benefit that is incidental to the protocol or social obligations that normally accompany the responsibilities of office.

(c) If a gift or personal benefit referred to in subsection (b) above exceeds $150 in value, or if the total value received directly or indirectly from one source in any twelve (12) month period exceeds $150, the Executive or Director must immediately disclose to Council, in writing:

(i) the nature of the gift or benefit;
(ii) its source; and
(iii) the circumstances under which it was given and accepted.

(d) Upon receipt of a written disclosure referred to in subsection (c), Council shall either allow the recipient to keep the gift or benefit, direct that the gift or benefit be returned, or direct that the gift or benefit be disposed of in any other manner it sees fit.

16. No Executive Member of Council shall hold a significant position, including but not limited to executive positions, within a Constituency, Student Resource Group, or Affiliated Institution student association.

17. No Executive Member of Council shall hold a significant position, including but not limited to executive positions, within a Club except that with the approval of Council by a Two-thirds (2/3) Resolution the President, the Vice-President Academic and University Affairs, and the Vice-President External Affairs may hold such positions.

18. An Executive Member who is permitted by Council to hold a significant Club position in accordance with paragraph 16 above, still may not do any of the following:

(a) sign any cheque or contract on behalf of the Club or be the Society signing officer approving funds for that Club;

(b) advocate within the Society on behalf of the Club.

19. All Directors shall sign an oath of office, prior to their first meeting of Council, in which they agree to abide by the provisions of this Article. All Executive Members shall sign
the oath prior to the commencement of their term of office. If a Director appoints a proxy to take his or her place on Council or a Committee for a meeting, the proxy shall sign the oath of office before the meeting.

20. Any Director who contravenes this Section of Code may be:

(a) directed by a Resolution of Council to:

(i) pay restitution to the Society for any financial loss suffered by the Society as a direct result of his or her action;
(ii) account for, and dispose of, any profits made as a result of a breach of this Section;
(iii) return or otherwise restore the Society's property taken, damaged or destroyed by a direct action of that Director;

and may be:

(b) removed from office pursuant to the Bylaws of the Society or, in the case of Constituency Representatives and representatives of student associations at the Affiliated Institutions, pursuant to the Constitution and Bylaws of their respective Constituencies or student associations.

21. Proxies appointed by Directors shall abide by all the rules concerning Directors contained in this Section of Code. Any proxy who contravenes this Section of Code shall be subject to the penalties outlined in paragraph 19(a) above.

22. Directors shall not receive monetary compensation from the Society unless such monetary compensation is received as a direct result of their positions:

(a) as a Director; or
(b) within one of the Society's Constituencies or one of the Affiliated Institutions’ student associations.

Article 2. Conflict of Interest for Members of the Executive

1. Members of the Executive, as voting members of Council, are Directors of the Society and shall be subject to Article 1 in their capacity as Directors.

2. Members of the Executive shall also be subject to the provisions of Article 1 in their capacity as executives, notwithstanding their status as employees of the Society.
Article 3. **Conflict of Interest for Non-Voting Members of Council**

1. Non-voting members of Council shall act honestly and in good faith in the best interests of the Society as a whole, and exercise the care, diligence and skill of a reasonably prudent person in carrying out their duties.

2. Non-voting members of Council shall abide by the conflict of interest provisions for Directors contained in Article 1 above as though they were Directors.

Article 4. **Conflict of Interest for Others**

1. Officers and employees of the Society other than Directors of the Society shall act honestly and in good faith in the best interests of the Society as a whole, and exercise the care, diligence and skill of a reasonably prudent person in carrying out their duties.

2. Officers and employees of the Society other than Directors of the Society shall not, in their capacity as officers or employees of the Society, participate in any decision, exercise an official power or perform an official duty or function in which they may have either a conflict of interest or an apparent conflict of interest.

3. The Executive Committee shall establish further provisions regarding conflict of interest in relation to Officers, such provisions to be contained in the Executive Procedures Manual. The Managing Director shall develop further provisions regarding conflict of interest in relation to employees, and shall take steps to ensure that such provisions are contained in the Personnel Handbooks in accordance with Section IX C of the Code.

4. All Officers, not including officers of Subsidiary Organizations or Student Resource Groups, shall sign an oath of office in which they agree to abide by the provisions of this Article and the provisions regarding conflict of interest contained in the Executive Procedures Manual.

Article 5. **Protection of Directors, Officers and Others**

1. Every Director, officer and employee of the Society and their heirs, executors, administrators and other legal personal representatives shall from time to time be indemnified and saved harmless by the Society from and against:

   (a) any liability and all costs and expenses that they sustain or incur in respect of any action, suit or proceeding that is proposed or commenced against them for or in respect of anything done or permitted by them in respect of the execution of their duties; and
(b) all costs, charges and expenses that they sustain or incur in respect of the affairs of the Society;

provided that they have complied with the Bylaws and Code of the Society and with the other legal obligations related to their duties.

**Article 6. Duties of Members Elected from Constituencies**

1. As voting members of Council, Constituency representatives and representatives of the student associations at the Affiliated Institutions are first and foremost Directors of the Society and owe their first duty to the Society.

2. Each member of Council elected from a Constituency or from an Affiliated Institution student association shall seek election to be a voting member on at least one (1) Standing Committee of Council.

3. Each member of Council elected from a Constituency or from an Affiliated Institution student association shall be responsible for the orientation of his or her replacement.

4. Whoever is chairing a Council meeting shall ensure that one representative from each Constituency or Affiliated Institution student association makes a verbal report at that meeting on the current affairs of their Constituency or student association. Current Constituency or student association publications shall be presented along with this report.

**Article 7. Absenteeism**

1. Pursuant to Bylaw 5(2)(j) and (m), any member of Council representing a Constituency or an Affiliated Institution student association who has missed three (3) regularly scheduled Council meetings during the School Year shall be notified in writing by the Archivist & Clerk of Council that he or she will cease to be a member of Council if he or she misses five (5) regularly scheduled meetings.

2. The Archivist & Clerk of Council shall send a copy of the notification referred to in paragraph 1 to the president of the Constituency or student association whose representative has missed three (3) Council meetings.

3. If a member of Council representing a Constituency or an Affiliated Institution’s student association misses five (5) regularly scheduled Council meetings during the School Year, the Archivist & Clerk of Council shall issue a written notice stating that the member has ceased to be a member of Council and that there is a vacancy on Council for that Constituency. Such notice shall be sent to:

   (a) the member who has missed five meetings;
   (b) the president of the member’s Constituency or student association, and
(c) Council.

4. In accordance with section 63 of the *Society Act*, proxies appointed by Council members in accordance with Bylaw 5(4)(b)(ii) may only be appointed for one meeting at a time.

**Article 8. Speaker of Council**

1. The Speaker of Council shall be a non-voting member of Council appointed by a Two-thirds (2/3) Resolution of Council on the recommendation of the Human Resources Committee, as specified in Section V, Article 9. The Speaker’s term of office shall be from April 1 to March 31.

2. The Speaker shall not hold any other elected, staff or appointed position in the Society, including positions within Constituencies. A Speaker who becomes a candidate for an elected position within the Society or any of its Constituencies immediately ceases to hold the position of Speaker.

3. The Speaker of Council shall:

   (a) chair Council meetings;

   (b) post notices of Council meetings no less than forty-eight (48) hours in advance, by any means he or she deems necessary, including electronic media, in order to notify both Council members and other Active Members of the Society;

   (c) ensure, to the best of his or her ability, adequate security for the Forum and the contents therein during, and immediately before and after, Council meetings;

   (d) chair Election Appeals Committees; and

   (e) have such other duties as are outlined in the Code or assigned by Council from time to time.

4. The Speaker shall not be the Spokesperson of Council. As prescribed by Code Section VI, Article 4(1)(c) the President at all times is the Spokesperson of the Society and of Council.

5. In the absence of the Speaker, the President or the President’s designate shall chair Council meetings, provided however that Council may, by Two-thirds (2/3) Resolution, elect an alternate chair.
Article 9. Non-voting Members

1. Pursuant to Bylaw 5(2)(b)(ii), the non-voting members of Council, in addition to the Ombudsperson and the Speaker of Council, shall be:

   (a) the Student Services Manager;
   (b) the UBC Vancouver student members of the Board of Governors; and
   (c) two (2) students elected by and from the student members of the UBC Vancouver Senate.

2. Non-voting members of Council are Officers but not Directors of the Society.

Article 10. Ombudsperson and Advocacy Office

1. The Ombudsperson shall be appointed by Council on the recommendation of the Human Resources Committee, following the procedures specified in Section V, Article 9.

2. The Ombudsperson shall not hold any other elected or appointed position within the Society, including positions within Constituencies. An Ombudsperson who becomes a candidate for an elected position within the Society or any of its Constituencies immediately ceases to hold the position of Ombudsperson.

3. The Ombudsperson may apply to Council for a leave of absence. If Council grants such a leave, it shall designate a replacement who shall have all the powers and duties of the regular Ombudsperson for the period of the leave.

4. Council may, either of its own volition or on the application of an interested Active Member of the Society, direct the Ombudsperson to investigate a matter and report back to Council.

5. In addition to those powers and duties set out in the Bylaws, the Ombudsperson shall:

   (a) be responsible for investigating and reporting to Council, or the appropriate member of the staff or the Executive, any reasonable complaint or question that a staff member of the Society has with the Society or its organizations, including but not limited to complaints or questions regarding the administration of the personnel procedures of the Society or the procedures themselves;

Once Council has decided to vote by secret ballot on a question, no member may make a motion that would force the disclosure of how members voted on that question, for instance by calling for a roll call vote or a vote by a show of hands.

30. Provided that Council has not resolved to hold a secret ballot vote, a roll call vote shall automatically be conducted for all motions voted on by Council. The minutes shall then note the vote of each member, indicating whether each member voted in favour or against, or abstained. Notwithstanding this provision, Council may by a Two-thirds (2/3) Resolution decide not to hold a roll call vote.

31. When the Chair feels that one or several members of Council are using the rules of order to impede the process of a meeting, the Chair shall inform those members of the same, and may refuse to recognize them further. Such a ruling cannot be appealed by those members affected.
32. The Chair may eject individuals from the Forum for reasons of safety and in cases of repeated deliberate disruptions of a Council meeting that prevent Council from functioning. In accordance with Robert’s Rules, any such decision by the Chair may be appealed by Council.

33. Before Council may appoint an individual to a position, that individual must have agreed to be a candidate for that position. Such agreement must be indicated in one of the following ways:

   (a) by being present at the meeting and accepting the nomination verbally;

   (b) by written submission to the Chair in which the individual accepts the nomination; or

   (c) by virtue of having applied, in writing, to the appropriate Committee for the position.

34. The author of a motion, or the Chair of the Committee or other body of the Society from where a motion came, shall have the first opportunity to move and motivate said motion.

35. For motions on which there is debate, the Chair shall seek to have the debate begin with one speaker for the motion, followed by one speaker against the motion.

36. In accordance with Robert’s Rules, no member of Council shall speak more than twice on any motion or amendment, except to raise or answer a point of information, to raise a point of order or privilege, to move an amendment, or to move to refer.

37. Council may by a Two-thirds (2/3) Resolution decide to limit debate for all or part of a meeting. If Council so decides, debate shall be limited as follows:

   (a) Except as specified in paragraph (b) below, speakers may speak for no more than two and a half (2-1/2) minutes at any one time.

   (b) Paragraph (a) notwithstanding, the mover of a motion may speak for up to five (5) minutes in moving it, and if there is a speaker against the motion who speaks next, that speaker may speak for up to five (5) minutes.

   (c) After thirty (30) minutes of debate on a main motion and any amendments thereto, there shall be a vote on whether to call the question on the main motion and on any pending amendments of the motion.

   (d) After sixty (60) minutes, there shall be a vote on the main motion and any pending amendments thereto, unless Council, by a Two-thirds (2/3) Resolution, decides to continue debate.

   (e) If Council decides to continue debate beyond sixty (60) minutes, there shall be a vote on whether to call the question after another thirty (30) minutes has passed,
and after a second sixty (60) minutes has passed, there shall be a vote on the motion, unless Council again decides by a Two-thirds (2/3) Resolution to continue debate.

(f) If Council decides to continue debate beyond a second sixty (60)-minute period, the rules in paragraph (e) above shall apply for each subsequent sixty (60)-minute period.

(g) When debate is limited in accordance with these provisions, the Chair shall endeavour to ensure that speakers alternate between members of Council and guests.

38. Council meetings shall last no more than four (4) hours, unless extended by a Resolution of Council.

39. The Chair shall ensure that all the time limits in this Article are strictly adhered to.

40. Remote Attendance

(a) During the months of September through April inclusive, Council members who are unable to attend a meeting of Council shall not be permitted to take part in debate or vote by telephone or electronic means. They may only take part in debate and vote if physically present.

(b) Between the months of May and August inclusive, Council members shall, at the discretion of the Chair, be permitted to attend Council meetings remotely, that is, to take part in debate and vote by telephone or electronic means, provided that the conditions specified in paragraphs (c) and (d) below are met.

(c) The Executive Committee and the Speaker of Council shall maintain a reliable means for members of Council to attend meetings remotely, preferably by a video conferencing system or alternatively by speaker phone or other similar device, so long as whatever system or device is used all members attending, whether in person or remotely, can hear each other and participate in debate.

This statement, signed by the candidate and supported by itemized receipts, must be submitted no later than the end of the Official Campaign Period. The submitted material may be audited at the discretion of the Elections Committee. Additional statements may be considered at the discretion of the Elections Committee, but in no case more than forty-eight (48) hours after the end of the Official Campaign Period.

(b) The Elections Committee shall assess each candidate the market cost or the actual cost, whichever is higher, for each declared campaign expenditure. A candidate’s total assessment must not exceed the upper limit for campaign expenses set by the Committee in accordance with paragraph 9(a) above.

(c) All candidates who submit proper expense statements shall be considered as having applied for reimbursement of those expenses.
Alma Mater Society of UBC Vancouver

CODE of PROCEDURE - Section IX: Code Procedures A: Electoral

October 10, 2017

(d) Candidates shall be reimbursed for each of their actual expenditures up to market cost. Their total reimbursement, including their reimbursement for minor supplies in accordance with paragraph (e) below, shall not exceed the limit set in accordance with paragraph 9(b) above. Reimbursement shall be made only for expenditures on forms of campaigning permitted by paragraph 6(f).

(e) Minor supplies (tape, staples, etc.) as determined by the Elections Committee need not be declared on the statement of expenses.

(f) If an organization to which a candidate belongs spends money on campaign materials explicitly endorsing that candidate, the money so spent shall be counted as part of that candidate’s expenses when determining whether the candidate remained within the campaign spending limits, but the candidate shall not be eligible for reimbursement for such expenses. The term “campaign materials” in this provision does not include the publication of written endorsements by media outlets.

(g) Other third party spending on behalf of a candidate shall be dealt with in accordance with paragraph 16 below.

11. Candidates shall not run in slates, real or apparent, or share expenses for campaign materials. A slate shall mean a group of candidates who run for elected office (including but not limited to Executive positions and positions in the Senate and on the Board of Governors) on a similar platform for mutual advantage.

12. For further clarity, but without limiting the generality of paragraph 11 above, the following slate-like activities shall be prohibited:

   (a) appearing on another candidate’s campaign materials, including but not limited to flyers, handouts, websites, and other social media sites;

   (b) producing campaign materials that resemble those of another candidate in colour, branding, design, or appearance; and

   (c) using the same slogan or slogans as one or more other candidates.

13. At its discretion, the Elections Committee may prohibit other activities it decides are slatelike.

14. Candidates are expected to campaign independently, but if joint campaign activities, including but not limited to classroom announcements and leafleting, do occur, they must be reported to the Elections Committee. Such reports must be made every seventy-two (72) hours. At its discretion, the Elections Committee may approve such activities or order them to cease.
15. Pursuant to the rules against slates in paragraphs 11 through 14 above, candidates may not endorse other candidates, either in public or in private, and also may not help other candidates in any way, including but not limited to helping with the preparation of graphics or other campaign materials.

16. Third Party Endorsements

(a) Candidates must publicly declare their acceptance or rejection of third party endorsements by media outlets and any other group or individual.

(b) These acceptances and rejections shall be posted by the Elections Committee. This posting by the Elections Committee shall constitute the public declaration required of candidates as far as rejections are concerned. Candidates must themselves post the names of all groups or individuals whose endorsements they accept.

(c) When a third party endorsement is made, candidates must notify the Elections Committee of their acceptance or rejection within twenty-four (24) hours. However, the Elections Committee may at its discretion extend this period in exceptional circumstances. If the Elections Committee discovers an endorsement unknown to a candidate, it shall inform that candidate, who shall then have twenty-four (24) hours to accept it or reject it; the Elections Committee may at its discretion extend this period in exceptional circumstances.

(d) Candidates who accept a third party endorsement must state whether that third party will be solely an endorser or also a financial supporter.

(e) Any spending by a financial supporter on campaign materials explicitly endorsing a candidate shall be counted as part of that candidate’s expenses when determining whether the candidate remained within the campaign spending limits, but the candidate shall not be eligible for reimbursement for such expenses. The term “campaign materials” in this provision does not include the publication of written endorsements by media outlets.

(f) If a third party endorser who has not been accepted as a financial supporter begins spending money on campaign materials explicitly endorsing a candidate, that candidate may notify the Elections Committee that they no longer accept the endorsement, at which point the Elections Committee shall determine how much of the spending will be counted as part of that candidate’s expenses. If the candidate decides to continue accepting the endorsement, the third party shall be considered a financial supporter, and the rules in paragraph (e) shall apply.

Article 3. Violations and Penalties

1. The Elections Committee may penalize any candidate and determine the penalty for campaigning in violation of the campaign rules in Article 2(6) above and for any other
breach of the Electoral Procedures and any other election irregularity.

2. For serious offences, as defined in the Candidates’ Handbook, the Elections Committee may disqualify a candidate. If they decide not to disqualify, they must impose at least one of the penalties for intermediate offences.

3. For intermediate offences, as defined in the Candidates’ Handbook, the Elections Committee may withdraw one or more of a candidate’s campaign rights, including, but not limited to, the rights enumerated in Article 2(6) above. However, the Committee shall not remove a candidate’s right to have an interview published in a campus publication pursuant to Article 2(4) above. And the Committee shall not remove a candidate’s right to have a picture and a statement on the election website and on the ballot. If the Elections Committee decides not to impose the penalties for intermediate offences, they must impose at least one of the penalties for minor offences.

4. For minor offences, as defined in the Candidates’ Handbook, the Elections Committee may withhold a candidate’s reimbursement for campaign expenses and may reduce their spending limit.

5. The Elections Committee may, at its discretion, issue a warning rather than imposing a penalty for minor offences, especially in the case of a first offence.

6. The Elections Committee shall not deduct votes as a penalty in any election or referendum.

7. If serious offences have been committed by more than one candidate in an election, the Elections Committee may declare the results of that election invalid.

8. If serious offences have been committed in a referendum, the Elections Committee may declare the results of that referendum invalid.

9. For similar offences in the same election or referendum, the Elections Committee shall impose similar penalties, except for repeat offenders.

10. If the Elections Committee disqualifies a candidate or declares an election or referendum invalid, such disqualification or declaration may be appealed to an Election Appeals Committee in accordance with Article 8(8) below.

**Article 4. Referendum Regulations**

1. The Elections Committee shall conduct Society referenda in accordance with Bylaw 4, the applicable portions of these Electoral Procedures, and other rules and regulations developed by the Committee, provided that those rules and regulations are consistent with the Constitution, Bylaws and Code of the Society.
2. For greater clarity, to be duly signed in accordance with Bylaw 4(1)(b) a petition signature must have been freely given without coercion and must not have been provided in exchange for alcoholic beverages or monetary benefits. They must also be kept secure in accordance with the internal policy on petition privacy and they must each include the following elements:
   
   i) the Active Member’s name (printed);
   
   ii) the Active Member’s student number; and
   
   iii) the Active Member’s signature, either handwritten on paper or in electronic form produced by means of a system approved by Council on the recommendation of the Vice-President Academic and University Affairs.

3. On receiving a petition in accordance with Bylaw 4(1)(b), the Vice-President Academic and University Affairs shall verify that it meets the requirements of the Bylaw and of this Article. If it has done so, the Vice-President Academic and University Affairs shall forward the question on the petition to the Elections Administrator, the President, and Council so that a referendum may be held on it.

4. Referendum questions shall adhere to a standard format and conform to the following rules:
   
   (a) The question shall be phrased in such a way that it can be answered ‘yes’ or ‘no’.
   
   (b) Nothing illegal may be proposed by the question.
   
   (c) In cases where the proposed question would break a contract, the intent to break the contract must be specifically stated and the penalty for breaking the contract must be included as part of the question.

5. Staff resources shall be made available to assist the drafters of potential referendum questions to assist them in an impartial and confidential manner. Staff providing such assistance shall do so in an impartial manner and shall not discuss potential questions except with members of Council or the Society’s senior managers.

6. The Elections Committee shall publicize each referendum by means of advertisements containing the wording of the referendum question, such advertisements to appear in a campus publication or publications no later than seven (7) days prior to the referendum and during the week of the referendum.

7. (a) Campaign material must be approved by the Elections Committee Administrator before being posted or published.
   
   (b) The Elections Administrator shall not approve campaign material which he or she
deems to be offensive.

(c) A decision of the Elections Administrator to approve or not approve campaign material may be appealed to the Elections Committee, in accordance with the appeal procedures in Article 8(2) below.

(d) All campaign material must be removed within one (1) week of the end of voting.

8. Neutrality

(a) The Society shall be neutral in all referenda unless Council decides by resolution to support a side. Council may only support one side in a referendum.

(b) If Council does not decide to support a side in a referendum, then none of the Society’s offices, materials, or resources, as described in Article 2(8) above, may be used by either side in the referendum.

(c) If Council decides to support a side, it must abide by all campaign rules set out in the Code or in the Referendum Handbook. It must also make public its campaign expenditures.

9. Yes and No committees:

(a) The Elections Committee shall allocate $1,000 for reimbursement of expenses for one Yes committee and $1,000 for reimbursement of expenses for one No committee in every referendum.

(b) To qualify for funding, a Yes or No committee must:

(i) obtain a copy of the referendum handbook referred to in paragraph 9 below; and

(ii) submit to the Elections Committee a petition for funding before voting has begun on which must appear the following:

1) the signatures and student numbers of at least one hundred and fifty (150) Active Members;

2) a list of the members of the Yes and No Committee identifying them as members of that committee; and

3) a budget outlining any proposed expenditures.

(c) The Elections Committee shall verify through the Registrar’s office that the names and numbers appearing on petitions presented in accordance with paragraph (b) above are those of Active Members.

(d) In the case of a referendum initiated by petition, the petitioning side shall be
deemed to have fulfilled the requirements of paragraph (b) above, provided that it includes on the petition for a referendum a list of committee members as required by paragraph (b).

(e) When originally submitting its petition for funding, a Yes or No committee must consist of five members. If the committee fulfills the requirements of this Article, the Elections Committee shall designate it as the body entitled to receive referendum funding. Notwithstanding this provision, the Elections Committee may decide to put a different committee in place or to add or subtract members from the original committee.

(f) A committee must submit an application for reimbursement and supporting receipts to the Elections Committee in order to receive reimbursement.

(g) The Elections Committee shall publicize the availability of funding for Yes and No committees by means of advertisements appearing in a campus publication or publications within two (2) business days of the receipt of a referendum petition by the Vice-President Academic and University Affairs or the passing of a motion by Council calling for a referendum.

10. The Elections Administrator shall organize a Referendum Meeting to take place no later than seven (7) days prior to the referendum. At this meeting, the Elections Administrator shall provide interested parties with information about the parts of the Electoral Procedures relevant to referenda and shall distribute a copy of a referendum handbook to interested parties.

11. The referendum handbook shall contain a summary and explanation of the parts of these Electoral Procedures relevant to referenda. The handbook shall also include a summary and explanation of rules and regulations relevant to referenda which are not in these Electoral Procedures.

**Article 5. **Polling Regulations

1. The Elections Committee shall ensure that all Active Members have an opportunity to vote and shall establish polling stations and take other measures to publicize the election or referendum so as to ensure that as many Active Members as possible do vote.

2. Polling stations shall be in conspicuous locations, including locations in the AMS Student Nest and in other conspicuous locations at the discretion of the Elections Committee. Staffing times shall be at the discretion of the Elections Committee, but each polling station must be staffed for at least four (4) hours per voting day during Society elections and referenda.

3. The election or referendum shall be advertised in a campus publication or publications as determined by the Elections Committee.
4. Except in the case of by-elections, paper ballot elections, or other special elections, voting during Society elections and referenda through electronic or paper means shall be available for at least five (5) calendar days.

5. (a) The Elections Committee shall ensure that each polling station has the equipment and personnel required to conduct the voting in an efficient and secure manner, making sure to preserve the secrecy of each voter’s ballot and ensuring that voters are properly informed about voting procedures and how to mark their ballots.

(b) Instructions on voting procedures shall be clearly posted at each polling station.

6. (a) Each candidate shall be permitted to have a picture and a statement on the election website and on the ballot, the word limit and picture size to be determined by the Elections Committee. The deadline for submission of the picture and statement shall be set by the Elections Committee and publicized in the Candidates’ Handbook.

(b) Each Yes or No committee in a referendum shall be permitted to have a statement on the election website, the word limit to be determined by the Elections Committee. The deadline for submission of the statement shall be set by the Elections Committee and publicized in the Referendum Handbook.

(c) At the discretion of the Elections Committee, other groups or individuals wishing to publicize their point of view on a referendum question may be granted the same right to have a statement on the election website as is granted to the Yes and No committees.

7. The Elections Committee shall take whatever steps necessary to ensure that only eligible voters cast ballots and to ensure that each eligible voter votes only once.

8. Poll Clerks

(a) Poll clerks shall be required to attend a training session arranged by the Chief Returning Officer, at which they shall be given information on the rules and regulations relevant to them.

(b) While working at a polling station, no poll clerk shall make remarks supporting or opposing any candidate or referendum question; nor may a poll clerk inspect a voter's marked ballot; nor may a poll clerk vote while working. Once hired, a poll clerk shall not work as a volunteer or otherwise assist in any way in any candidate’s campaign or in any referendum campaign.
Article 6. Ballots

1. In Executive elections, candidates may choose to have their full name appear on the ballot as it appears on their UBC card or they may choose to have any combination of their given names or initials of their given names appear along with their surname. At the discretion of the Elections Administrator, candidates may choose to have a reasonable nickname appear on the ballot in place of or in addition to their given names, as long as the nickname does not indicate affiliation to a group and as long as it is not obscene or libellous or an attack on other candidates.

2. For all ballots, if possible, various versions shall be prepared with the names of the candidates listed in different random orders on each version, so that voters will not all vote on identically ordered ballots.

3. In Executive elections, the positions to be voted on shall appear in the following order on the ballot:

   (a) President;
   (b) Vice-President Academic and University Affairs;
   (c) Vice-President Finance;
   (d) Vice-President Administration; and
   (e) Vice-President External.

4. If elections are being conducted for other organizations, those positions shall appear on the ballot after the Executive positions in the following order:

   (a) University Board of Governors;
   (b) University Senate;
   (c) Ubyssey Publications Society;
   (d) Student Legal Fund Society; and
   (e) any other organizations.

5. On referendum ballots, “Yes” shall appear above “No” or to the left of it.

Article 7. Counting of Ballots and Release of Results

1. The Elections Committee shall take whatever measures necessary to ensure the security of the ballots and the balloting process.

2. Ballot counting: General

   (a) The Elections Committee shall take all measures necessary to ensure that an accurate count of the ballots cast is obtained.

   (b) The Elections Committee shall take all measures necessary to ensure that only
validly cast ballots are counted.

(c) At least two (2) members of the Elections Committee must be present at all times during ballot counting.

5. Ballot Counting System

(a) Ranked ballots shall be used for Executive elections. The voters shall be asked to rank candidates for each position using numeral marks, with “1” indicating the most preferred, “2” the second most preferred, and so on.

(b) Identically marked (or unmarked) candidates shall be counted equally, with no preference between them.

(c) Candidates who are not ranked shall be considered to have a lower preference than any ranked candidate.

(d) The ballot shall contain the following statement: “Rank the candidates on the ballot using numbers, with 1 indicating the most preferred, 2 the second most preferred, and so on. You may leave blanks; these will be counted as your lowest preference. You may also give equal rankings, for instance ranking two candidates as your number 1 choice.”

(e) The Condorcet voting method with Ranked Pairs shall be used to determine the winner for each Executive position:

(i) The set of all unique candidate pairs for that position shall be established.

(ii) For each unique pair of candidates on each ballot, if the ballot indicates a preference for one of the candidates over the other, then a tally of one shall be counted for the preferred candidate, within that candidate pair. If the ballot does not indicate a preference for one of the candidates over the other, then no tally shall be counted within that pair.

(iii) Within each pair, the absolute difference between the candidates' tallies shall be called the “margin of victory” for that pair. Once all ballots cast have been tallied, the pairs shall be ordered in decreasing order of margin of victory beginning with the largest margin of victory and ending with the smallest. Starting with the pair with the largest margin of victory and progressing to the smallest margin of victory, it shall be determined whether the candidate preference in each pair is compatible with all previously determined preferences (i.e. introduces no circular ambiguities or contradictions). If the preference is incompatible or there is a tie, the result from that pair shall be ignored. Otherwise, the candidates' names shall be joined by a “greater than” sign (>) from the winner to the loser (it
may be possible to express some preferences more compactly in a chain, as A>B>C).

(iv) Once all pairs have been processed, if there is only one candidate that is greater than all other candidates, (i.e., at the front of all chains) this candidate shall be declared the winner.

(v) If there is no clear winner as defined in paragraph (iv) above, the election shall be decided by a coin toss or some other method that ensures a random result.

6. (a) Ballot counting shall be completed no more than two (2) hours after the close of polling on the last day of polling.

(b) As soon as the counting has been completed in Executive elections, the Elections Administrator shall release “partial unofficial results,” to include only the winners for each Executive race. “Full unofficial results” for Executive elections shall be withheld for no less than forty-eight (48) hours and no more than seventy-two (72) hours after the release of the partial unofficial results to allow winning candidates to withdraw. In the case of Society referenda, “unofficial results,” consisting of the number of votes received by each side, shall be released by the Elections Administrator as soon as the counting has been completed. The results of Executive elections and Society referenda shall be official only when received by Council.

(c) If a winning candidate withdraws from an Executive election before the release of the “full unofficial results,” a new winner shall be determined by recounting the ballots using the procedure described above in paragraph 5(f), but excluding all candidate pairs in which the withdrawn candidate appears.

7. Results for elections conducted for other organizations shall be released in accordance with the agreements made with those organizations.

8. Records of elections and referenda shall be kept intact until the results become official by being presented to Council and shall then be stored for a year where technically feasible.

9. Presentation of results

(a) The Elections Administrator shall prepare a written report on the election or referendum, including the results, such results to include the number of votes received by each candidate in the election and the number of votes received by each side in the referendum. The Elections Administrator shall present the report to Council once any complaints or appeals pending before the Elections Committee or an Election Appeals Committee have been ruled on in accordance with Article 8 below.
(b) Once the Elections Administrator’s report is presented to Council, the results shall be official and binding upon the Society. A Resolution of Council to receive or approve the report is not required for the results to be binding. Once the results have been presented to Council, the Elections Administrator shall publish them in a campus publication or publications.

**Article 8. Interpretations, Rulings, Complaints, and Appeals**

1. During an election or referendum, the Elections Administrator, or their designate in the case of a conflict of interest, may make preliminary rulings and interpretations which must be ratified by the Elections Committee within forty-eight (48) hours. Decisions of the Elections Administrator regarding the approval of campaign material need not be ratified by the Elections Committee; but such decisions may be appealed to the Elections Committee in accordance with the appeal procedures in paragraph 2 below.

2. Protests or complaints of irregularities regarding candidates, referendum campaign groups, or election officials may be submitted to the Elections Committee, provided that the protest or complaint is in writing, is signed by at least three (3) Active Members, and is submitted no more than three (3) calendar days after the close of balloting. The Elections Committee must reach a decision on the protest or complaint no more than twenty-four (24) hours after it has been received in person by a member of the Committee.

3. Complainants are encouraged to submit their complaints promptly. Excessive delays in bringing complaints forward shall be taken into consideration by the Elections Committee in making its decision.

4. Rulings and interpretations made by the Elections Administrator and ratified by the Elections Committee in accordance with paragraph (1) above, and decisions made by the Elections Committee regarding protests or complaints as described in paragraph (2) above, may be appealed to an Election Appeals Committee.

5. An Election Appeals Committee shall consist of:

   (a) the Speaker of Council, who shall be Chair;
   (b) one (1) representative of the person appealing the ruling, interpretation, or decision referred to in paragraph 4 above; and
   (c) one (1) representative of the Elections Committee.

6. In the absence of the Speaker of Council, Election Appeals Committees shall be chaired by a person designated by the Speaker.

7. In the case of an appeal of a ruling or interpretation made by the Elections Administrator, the appellant must submit an application in writing to the Administrative Assistant no more than forty-eight (48) hours after the Elections Committee ratifies the ruling or interpretation. The Administrative Assistant shall immediately forward the application to
the Chair of the Elections Appeals Committee.

8. In the case of an appeal of a decision made by the Elections Committee, the appellant must submit an application in writing to the Administrative Assistant no more than forty-eight (48) hours after the Elections Committee has made its decision. The Administrative Assistant shall immediately forward the application to the Chair of the Election Appeals Committee.

9. The appellant’s application must include:

(a) a description of the issue in question;
(b) a report of the decision being appealed;
(c) a statement of the remedy being sought;
(d) a description of the errors allegedly made by the Elections Administrator or the Elections Committee; and
(e) the name of the representative the appellant wishes to see appointed to the Election Appeals Committee.

10. The appellant must also provide copies of all supporting documents that the appellant wishes to have considered by the Election Appeals Committee.

11. On receiving the appellant’s application, the Chair of the Election Appeals Committee shall decide whether it meets the requirements of paragraphs 8 and 9 above. If it does, the Chair of the Election Appeals Committee shall notify the Elections Committee of the appeal, provide it with a copy of all relevant documentation, and invite it to name a representative to the Election Appeals Committee. If the Elections Committee fails to name a representative, the Chair of the Election Appeals Committee shall name a representative for them.

12. The Elections Committee shall make a written response to the appellant’s application.

13. The two representatives named to an Election Appeals Committee must be Active Members and must not be candidates in any ongoing Society election or any ongoing election being conducted for another organization by the Society. They must also not be members of Council, Student Court, the Executive Committee, the Elections Committee, or the Commissions. Appellants may not represent themselves on Election Appeals Committees.

14. Once constituted, an Election Appeals Committee shall create procedures as it sees fit to deal with the issue before it.

15. After receiving an appeal application submitted in accordance with the provisions of this
Article, an Election Appeals Committee may overturn a decision of the Elections Administrator or the Elections Committee if it determines that in arriving at that decision:

(a) the Elections Administrator or the Elections Committee acted in a manner inconsistent with the Electoral Procedures in the Code or with the procedures contained in the candidates’ handbook issued by the Elections Committee;
(b) the Elections Administrator or the Elections Committee failed to consider relevant evidence;
(c) the Elections Administrator or the Elections Committee acted in an obviously unfair manner; or
(d) the Elections Administrator or the Elections Committee imposed inconsistent penalties for similar offences in the same election or referendum.

16. If the Election Appeals Committee decides to overturn a decision of the Elections Administrator or the Elections Committee in accordance with paragraph 15 above, it may:

(a) substitute its own decision for that of the Administrator or the Committee; or
(b) order the Elections Committee to reconsider the decision.

17. An Election Appeals Committee must hold its first meeting concerning an application made in accordance with paragraphs 7 or 8 above no more than forty-eight (48) hours after the submission of that application.

18. An Election Appeals Committee must come to a decision no more than forty-eight (48) hours after holding its first meeting.

19. The decision of an Election Appeals Committee must consist of the following elements:

(a) the decision itself;
(b) the reasons for the decision; and
(c) a dissenting opinion if there is one.

20. All the elements of the decision referred to in paragraph 19 must be in writing, and copies must be given to the appellant, the Elections Committee, and Council.

21. (a) No protests or complaints of irregularities regarding candidates, referendum campaign groups, or election officials may be submitted to an Election Appeals Committee unless they have first been submitted to and ruled on by the Elections Committee in accordance with the procedures prescribed in this Article.

(b) Notwithstanding paragraph (a) above, a complaint may be submitted to an Election Appeals Committee before the Elections Committee has ruled on it if:
(i) the Elections Committee has failed to rule on it within a reasonable time; or  
(ii) the Election Appeals Committee determines that it would be unreasonable to wait for a decision by the Elections Committee.

22. Candidates and other persons involved in elections or referenda must comply with rulings of the Elections Administrator and the Elections Committee even if those rulings are in the process of being appealed to an Election Appeals Committee. Only if an Election Appeals Committee overturns a ruling may compliance with it cease.

Article 9. Constituency Elections and Referenda

1. Constituencies shall determine the rules and procedures to be followed in conducting their elections and referenda, provided however that the following conditions are adhered to:

   (a) the Constituency must appoint a chief elections official and an elections committee to conduct its elections;

   (b) the Constituency’s chief elections official and its elections committee must conduct elections in an unbiased and impartial manner;

   (c) candidates in a Constituency election may not serve during that election on the Constituency’s elections committee or on any other election appeal body in the Constituency; nor may they serve as the Constituency’s chief elections official;

   (g) no votes shall be deducted as a penalty in any Constituency election;

   (h) for similar offences in the same election or referendum, the Constituency's elections committee shall impose similar penalties;

   (i) the Constituency’s council shall not have the right to overturn or refuse to accept the results of a Constituency election;

   (j) all members of a Constituency in good standing shall be entitled to vote in all

(o) if only one candidate is nominated for a position, an election must still be held using a “Yes or No” ballot, and the candidate shall be declared elected only if more than half of the voters vote Yes for that candidate;

(p) a candidate who loses a “Yes or No” election for a position as described in paragraph (o) above must not be appointed to that position;

(q) in the case of a referendum to alter Constituency fees, the Constituency must follow the quorum requirements and other procedures in Bylaw 14 and Code Section XIII, Article 6;

(r) the Constituency must establish an internal appeals procedure to deal with protests and complaints concerning its elections and referenda;

(s) the Constituency shall require its chief elections official to not approve campaign material he or she deems to be offensive; and

(t) the decision of a Constituency chief elections official to not approve campaign material shall be appealable within the Constituency and may be subsequently appealed according to the procedures outlined in paragraph 2 below.

2. Provided that all internal appeals procedures within a Constituency have been exhausted, the Elections Committee shall rule on the validity of a Constituency election or referendum upon presentation to the Elections Administrator of a written petition from ten (10) Active Members of the Constituency or ten percent (10%) of the Active Members of the Constituency, whichever is less.

3. Appeals of Elections Committee decisions on Constituency elections and referenda may be made to an Election Appeals Committee in accordance with Article 8 above.

Article 11. By-Elections, Paper Ballot Elections, and Other Special Elections

1. 2. (a) Council may decide, by Resolution, to hold an election or referendum exclusively by paper ballot, or for technical reasons it may be necessary for all or some of the voters to vote by paper ballots.

   (b) If all or some of the voters are voting by paper ballot in accordance with paragraph (a) above, the Elections Committee shall prescribe procedures for conducting such a vote. Such procedures may deal with any or all of the following:

   (i) the rules on the timing of the vote,
   (ii) the deadline for finishing the counting of the ballots,
   (iii) the use of Condorcet voting,
   (iv) absentee voting,
   (v) scrutineers,

Article 12. **Conduct of Elections for Other Organizations**

1. Council may, by a Two-thirds (2/3) Resolution, declare an organization to be, or to no longer be, a Student Resource Group, provided that the Operations Committee has previously recommended such action by a Two-thirds (2/3) Resolution. Should Council so declare, paragraph 4 below shall be deemed to be amended.

Such office space shall be open to inspection by the Operations Committee in the same manner as Club office space, provided that two weeks’ notice is given.

2. Council’s approved lump-sum allocation shall be divided among the Resource Groups by the Resource Group Allocation Committee (hereinafter referred to as the “RGAC”), composed of one voting member elected or appointed by and from each Resource Group. In the event that a representative has not been elected, the Resource Group executive shall appoint a representative from that Resource Group. The RGAC shall divide the lump-sum allocation based on budget proposals submitted to it by the individual Resource Groups. In dividing the lump-sum allocation, the RGAC shall assign no more than eighty percent (80%) of it to the Resource Groups; the remainder shall be placed in the Resource Group Event Fund.

3. The RGAC shall notify the Vice-President Finance of how the lump-sum allocation is to be divided as soon as the RGAC has made its decision on this issue, so that the money can be distributed to the appropriate Resource Group accounts and the Resource Group Event Fund. Such notification shall be in writing and be signed by each voting member of the RGAC who voted in favour of the decision, and shall include copies of the Resource Group budgets as approved by the RGAC.

4. In addition to the powers and duties set out above, the RGAC shall:
   (a) determine its own procedures and meeting dates, provided however that its quorum be no less than seventy-five percent (75%) of its voting members, and that resolutions of the RGAC must receive a majority of votes of all members, including absent members, to be considered adopted;

5. A new Student Resource Group, created by Council under Article 1(1) above, shall not be eligible for funding until the following fiscal year unless such funding has been approved by the RGAC in a manner consistent with this Article.

6. No Resource Group shall make any expenditure or incur any liability that puts it into a deficit situation, unless such deficit has been approved by the Finance Committee.

7. Executive positions within Resource Groups must be voluntary and Executives must not receive salary or honoraria from the Resource Groups in their role as Executives.
8. Resource Groups may not hire their own Executives or enter into any contract providing compensation for services provided by their own Executives outside of the Executives’ regular duties unless the payment for such services would total $100 or less (in 2014 dollars). This provision notwithstanding, Resource Groups may pay an Executive more than $100 for such services if permission is granted in writing by the Human Resources Committee. Such permission shall only be granted if both the Human Resources Committee and the RGAC pass Two-Thirds (2/3) Resolutions granting permission.

9. The process of making the payments referred to in paragraph 8 above shall be facilitated by the Human Resources Committee.

10. In the event that the Resource Groups choose to hire an individual, the hiring process shall be facilitated by the Senior Manager of Human Resources.

(f) The hearings of the Court shall be open to any member in good standing except in disciplinary cases, where an accused may, by petition to be received by the Clerk of the Court at least one (1) day prior to the hearing, request that the proceedings be closed to the public, in which case the Court may, at its discretion, make such an order. All said petitions shall be in writing, setting forth in full the reasons for the request.
