COMMITTEE OPERATIONS:

MEETINGS AND ADJUDICATING DUTIES:
Three times for each call for proposals

- The first meeting will be held as soon as possible after the deadline for applications, to provide essential information to adjudicators, including these Terms of Reference and all materials necessary to evaluate the projects. This information can be provided via e-mail at the direction of the Chair;
- The second will be held less than three weeks after the second and will allow adjudicators to discuss projects and determine a final ranking for funding;
- The third will be held after Finance Committee has released the appropriate funds to allow the working group to review the Terms of Reference and application procedures, processes and materials and, when appropriate, propose improvements for future CFP’s;
- The working group may also meet at the call of the Chair, as needed, to address any outstanding business;
- General note: A meeting with a majority (over 50%) of working group members will represent a sufficient majority to conduct business.

Each member will be responsible for timely adjudication of applications. Adjudication must be completed no later than two weeks after they have been received by the working group’s members. In the event that a member fails to complete and submit his/her adjudication for the funding round, an average score of all other adjudications for that funding round will be substituted and will stand as the member’s adjudication scores subject to the rules for quorum.

Attendance at adjudication meetings is mandatory. Failure to attend these meetings will result in the member being asked to step down from the committee. In this case, a replacement will be named by the AMS in consultation with our partners, when appropriate.

The working group may also seek expert external opinion(s) from faculty or researchers at UBC Vancouver on individual projects, as required. However, such evaluations must be given to the committee in time for the second meeting listed above.

CHAIR AND STAFF SUPPORT:
The working group will officially be chaired by the Vice President Academic and University Affairs, but discussions shall be facilitated by the AMS’s Policy Advisor (a non-voting member of the working group), who shall also provide in a timely fashion all of the information and documents needed to accomplish its duties, including the minutes of each working group meeting.

MEMBERSHIP TERMS:
Membership shall be for a term of at least two semesters and extensions shall be granted as long as a member is willing to remain on the working group. Ideally, the working group membership should rotate to ensure a mix of new and experienced adjudicators.

LAST REVISED: JUNE 27/18
CONFLICT OF INTEREST:
Members must openly declare any conflict of interest or any perceived conflict of interest, especially as they might relate to specific applications. The working group will consider all such declarations and may choose to exclude a member if this conflict is considered serious. Members may also agree to mentor a submitted project, but must recuse themselves from any discussion or decision on this application.

CONFIDENTIALITY:
All deliberations, discussions, and preliminary decisions of the working group are confidential and members must not reveal the content of meetings to anyone outside of the working group.

APPEALS PROCESS:
There is no appeal process.

The Policy Advisor can be directed by the working group to discuss the reasons for rejection of any proposal and to provide advice and encouragement for a reapplication at a later call, if appropriate.

In the event that a discipline-specific matter is involved, the above function may be delegated to a working group member if the working group so recommends and the member is willing to assume the responsibility with the support of the Advisor.

DECISIONS:
Decisions regarding changes to adjudication procedures (e.g. ranking criteria, minimum score for successful applications, changes to the AMS-IG application form) will be made by consensus, whenever possible. In cases where consensus is not possible, a $\frac{2}{3}$ majority vote of the working group shall determine the matter. All decisions of the working group involving AMS funds are subject to final approval by the Finance Committee.

Decisions regarding successful applications to the AMS-IG will be made based on the total adjudication score submitted by members. A minimum score, determined by the working group, will represent the dividing line between funded and non-funded applications. While the Policy Advisor is a non-voting member, it is expected that he/she will be adequately familiar with the applications and/or activities of the committee to allow for a reasoned decision regarding all matters pertaining to the AMS-IG.

RESIGNATIONS:
Members wishing to resign before their term expires must submit their resignation in writing to the grant administrator at least one month before the deadline for proposals. Failure to do so will mean a de-facto commitment by the working group member to participate fully in the next adjudication round.
All members of the adjudication working group must read these terms of reference and signify
by email to vpacademic@ams.ubc.ca that they have done so or provide a signed and dated
copy of this document to the Policy Advisor:
