

Steering Committee

August 2017 Report

Alan Ehrenholz

Over the month of August, the Steering Committee has not met. This is due to the fact that the President, and chair of the committee, has not found the time to schedule a meeting.

With the school year beginning on September 5th, and the Assistant to the President position once again filled, this committee will become much more active. With many points of discussion, including AMS working groups, committee goal setting, the executive goal setting process, and the 4th draft of the Strategic Plan, I see no reason why this committee will not be meeting biweekly throughout the year.

If you have any questions or concerns about the operation of steering committee, please do not hesitate to reach out at 604-822-3972 or president@ams.ubc.ca.

Sincerely,

Alan Ehrenholz
108th AMS President
