Subject: UBC Sustainable Thrift Store Fund Referendum

Hi Marium,

This email is to inform you that I have received a referendum petition on February 27, 2019 in accordance with AMS Bylaw 4 (3). I and my staff have validated the signatures and the petition has been duly signed by over one thousand active members of the AMS. I'd like to, therefore, request that the President calls a referendum not less than ten days and not more than thirty days from February 27, 2019 (the date of submission). The referendum question shall read:

"Do you support the AMS establishing a refundable fee of \$0.95 to contribute to the establishment of a permanent thrift store location on campus?

Note 1: The fee would be fully refundable upon request.

Note 2: The fee would be levied annually on all active AMS members beginning in September 2019 until the thrift store is self-sustaining as determined by Project Imagine executives in consultation with the AMS.

Note 3: The fee would be used for operational purposes.

Note 4: The fee is indexed annually to the BC Consumer Price Index."

Also, the petition included support for the formation of a Yes Committee supporting this referendum consisting of Sarah Lui, Monique Tang, Rain Chen, Emmalie Powell, and Elfi Wang.

Thanks,

Max Holmes
