<b>SUBJECT</b>	<b>NEW TABLE FOR NEST 3511</b>
<b>MEETING DATE</b>	<b>NOVEMBER 5<sup>TH</sup>, 2019</b>
<b>MOTION</b>	<b>BE IT RESOLVED THAT the AMS Council approve \$1,700 from the SUB Repairs and Replacement Fund to be allocated towards the replacement of the conference table in room NEST 3511.</b>
<b>PREPARED BY</b>	Cole Evans – Vice President Administration
<b>DOCUMENTS</b>	N/A

---

**DESCRIPTION &  
RATIONALE**

The table in NEST 3511 is broken, like really broken, so we need a new table! The Operations Committee evaluated three options for a new table and selected this one to be sent to Council for approval.

In the future, the Vice President Administration will be looking to create a Subcommittee that handles building repairs to alleviate workload from Operations Committee and AMS Council.

The table in question is linked here:
