

AMS Operations Committee - November 2019 Monthly Report

Works Completed:

- A. **IFC Report** - The Operations Committee supported the Vice President Administration in the completion of the report on the UBC Interfraternity Council's status as an AMS subsidiary.
- B. **New Table for 3511** - The Committee procured a new table for NEST 3511 and sent it Council for approval. Now NEST 3511 will be decked out with some sweet sweet maple.

Works In Progress:

- A. **Policy I-7: Building Suspensions and Expulsions** - The Committee continues to work away on AMS Policy I-7. The policy has continued to be pushed back due to changes in scope, but will be sent to Council for approval by January 2020.
- B. **IFC Relationship** - The Committee continues to discuss what an AMS/IFC relationship could look like moving forward.
- C. **Operations Committee Policy Manual** - Work will begin shortly on more improvements to the Operations Committee Policy Manual.
