
SUBJECT	NEST OPERATING HOURS DURING THE TRANSIT STRIKE
MEETING DATE	NOVEMBER 27TH, 2019
MOTION	BE IT RESOLVED THAT the AMS Council on the recommendation of the Executive Committee, Council suspend Code Section IX B, Article 6(7)(m) to allow expenditures from the Contingency Fund to cover security costs related to keeping the Nest open 24 hours a day during the transit strike.
PREPARED BY	Cole Evans – Vice President Administration
DOCUMENTS	N/A

**DESCRIPTION &
RATIONALE**

In conjunction with the AMS Operations Committee, the Vice President Administration with the Executive Committee is recommending to Council that accommodations be made in order to allow the Nest to operate for 24 hours during the ongoing labour dispute between Unifor Locals 111 and 2200 and the Coast Mountain Bus Company.

In order to better support students throughout the strike, the Nest would remain open for 24 hours so that students would have a place to be on campus if they do not have the means of returning home. The Vice President Administration in coordination with the Operations Committee, Executive Committee, and Managing Director will continue to examine what options are available to support students throughout operating hours.

The Vice President Administration will closely monitor the situation with the Vice President External and the Managing Director to determine future courses of action.

The Code suspension is due to requirements that expenditures of the AMS Contingency Fund be in excess of \$5,000. Due to the potential final cost coming under this amount, Code is being suspended proactively.
