Chair updates: I need to figure out what our goal is

ToR Updates: the core things on this are:

- Provide input on things staff bring
- Grad class
- Blue and Gold
- develop strat for 1st year engagement
- working on student engagement and campus community

Blue and Gold:

- bi-annual, one per semester

  · Who sits on it: VP student life from constituences + presidents; AMS President; STrudent life committee chair; VPAUA; VP Admin; Events Manager;

- Discussion around this: what is the purpose of Blue and Gold? SHould this be like a "Campus Experience and Event group"? AN agende should be set, to make it more of a draw

- B and G would like an event, twice a year, invite all constituency execs; then, have a sub commitee of the student life committee that is more campus event coordination (meetings once a quarter)
- AMS Committee should no longer be a standing committee of council - future direction that we should take here: extraordinary committee of council. Can make submission, etc. But does not have to pay the chair, does not have same obligations.

What do people envision here?

- Kinda like a special project working group?
- Grad Class Council Can go under Pres or something

Next Steps: Cole will come back with a proposal about what to do
