BOOTHING POLICY

- Clubs may only booth in one of the six boothing tables on the main floor of the Nest
- Clubs may not booth in any other area unless by special arrangement (eg. Clubs Days)
- There are six boothing tables separated by pipe and blue drape
- Boothing tables can be booked by clubs who wish to fundraise or promote their club.
- Boothing tables can be booked no more than two weeks in advance
- To book a boothing table email amsbookings@ams.ubc.ca

Clubs that want to sell or give away food/beverage need to do the following:

- Notify AMS Bookings when making the booking request
- Clubs planning on selling or giving away food that requires refrigeration or heating must obtain a Temporary Food Service Permit prior to booking
- Food that can be served without refrigeration or heating do not require a TFSP
- Any large food sales or giveaways must be moved to the second floor, so it does not compete with tenants/outlets directly

Should you have further inquiries please email amsbookings@ams.ubc.ca
