STEERING COMMITTEE

April 9, 2020 Report

The Steering Committee still has not met yet. The work underway so far has been receiving proposals from various consultants for the AMS Strategic Plan project. However, due to COVID-19's impact on the AMS's budget for FY 2020/21, the Executives have elected to put the project on pause for the time being and will return to the Steering Committee for a decision to be made on a formal RFP process on the AMS Strategic Plan for the next year.
