

Alma Mater Society Vice President Academic and University Affairs
AMS Student Nest
Nest 3500, 6133 University Blvd
Vancouver BC, V6T 1Z1

Attention: January 29, 2020 Nursing Undergraduate Society Referenda

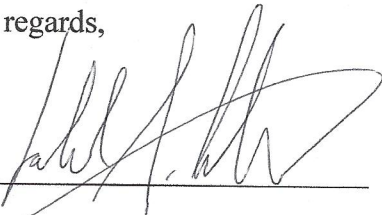

Attached is a copy of the referenda results held by the Nursing Undergraduate Society (NUS) on January 29, 2020. The referenda detailed a proposed increase to the NUS fees and have been submitted to both NUS Council and the Alma Mater Society Council. Both referendums passed with majority. Please see the results document for specific details. The results were certified by Ahsan Sahibzada, AMS's Chief Electoral Officer.

The results were made public to the student body on February 13, 2020 through the School of Nursing's blog website, through the official Facebook page of the 2020 and 2021 cohorts, as well as through individualized emails sent out by the School of Nursing to each cohort members' UBC email address.

The ballot used to conduct this vote is also included within this email.

This letter attests to the fact that the referendums met all the requirements of the Alma Mater Society of the University of British Columbia Vancouver Bylaws 2017. Specifically, all aspects of Bylaw 14: Article 6 were adhered to and met. As such, the fee implementation should commence at the start of the September 2020 Term I Winter Semester.

Best regards,

Caleb Lawlor
BSc, PCP, BSN Class of 2021
