Agenda Items

“BE IT RESOLVED THAT ______ has been voted into the role as Vice Chair for the Student Life Committee”

Revisiting Goal Setting and Discussion
1. Addressing Voter-Turnout Campus-Wide

Discussion Questions:
   i) How could we see this aiding campus life?
   ii) Would this goal be realistic?
   iii) What are some smaller, more attainable steps we could take to see this through?

2. AMS Services and Student Engagement → finding ways to further promote these services on campus

Discussion Questions:
   i) Would it be beneficial for our Committee to look into the engagement strategies used in the past, and find ways to integrate these strategies, into possible frameworks for Student Services?
   ii) How could our Committee play a role in the relationship between students, and Services?

3. Finding Way to Enhance Relationships with Partnership Institutions (i.e., St. Marks etc.)

Discussion Questions:
   i) Would it be reasonable to assume our Committee attempts to pass a motion to seek the communication lists for our partnering institutes on-campus? (i.e., email list opt-in, for the AMS to reach more students campus-wide)
   ii) What other tangible motions could we brainstorm to find ways of making this goal a success?

Any Other Goals to Add? Questions?

Blue and Gold Society

*In an effort to ensure that the AMS continues to address the evolving needs of students in regard to campus life and school spirit, the Blue and Gold Society shall operate on the principle of promoting a campus that embraces Athletics, involvement, and recreation.*

This sub-committee hasn’t run since 2017, and with the current COVID-19 climate, the Chair can’t see as much of a clear purpose for its existence at this time.
