**DESCRIPTION & RATIONALE** The Advocacy Committee on June 9th, 2020 has unanimously decided to endorse the principles laid out by the group “350”. The principles outline what sort of policies and plans an organization, that endorses these principles, will stand by and advocate for to the government. By publicly endorsing these principles the AMS will hopefully make decisions and policies based on these principles when it comes to dealing with post-COVID-19 recovery.
