Policy on Committee Appointments

Effective Date
August 26th, 2020

Approval Date
August 26th, 2020

Purpose and Goals
This policy addresses the need for AMS Council to increase its efficiency when appointing councillors and students-at-large to the various committees of Council.

This policy will also address barriers faced by students-at-large at Council meetings where committee appointments take place, as they will no longer be required to be physically present to be appointed to a committee. Furthermore, creation of this internal policy eliminates excess portions of the *AMS Code of Procedure* and allows for easier access by those unfamiliar with the internal governance systems of the AMS.

Applicability
This policy applies to all AMS Councillors and AMS members-at-large seeking appointment to a committee of AMS Council.

Exclusions
This policy does not apply to the appointment of Executives and other members of Council to committees where they are granted *ex-officio* standing on that committee by virtue of their positions.
