

August Advocacy Committee Report to AMS Council

Submitted on: August 21st, 2020

Prepared by: Joshua Kim, Chair

Hello from the advocacy committee!

We meet bi-weekly on Tuesdays from 2-3:30pm PST on Zoom; if you would like to join let me know!

As always, you can reach me at advocomchair@ams.ubc.ca or minki.kim@alumni.ubc.ca.

Works in Progress (or on the Horizon)

- Policy I-11 Review is still in progress with the committee members commenting on certain aspects of the policy that might need improvements. There's more to come in the future for an update.
- External Policy Manual: the committee, in the future, will be reviewing the entire external policy manual and update it with a new version as the update has been long overdue.
- Advocacy Campaign to Combat Racism: this project will be launched in the first week of September so please take a look at the campaign as soon as the website for the campaign launches!

Work Completed this Month

- Reviewed the list of educational resources for the advocacy campaign to combat racism
- Advised the VPAUA on VP Students communication audit/strategy
- Further advised the VPAUA on Zoom/HK panel talk
- Further advised the VPX on August provincial government submission
- Discussed the contents of the UBC Climate Emergency Final report
