

Executive Updates from the Office of the VP Administration (Sept. 16th)

☐ Clubs

- Videoconferencing grants for AMS Clubs have been administered on a rolling basis i.e. all clubs who would have submitted their applications between August 24th and September 3rd have \$60 credited to their AMS accounts for the procurement of a videoconferencing license of their choosing. Applications remain open till Sept. 30th
- Imagine Day Stats:
 - 9561 unique visitors to the fair (not including group officers)
 - 75,347 booth visits
 - 342 participating organizations

Feedback we are getting from participating organizations show that groups were receptive to the way the event was run despite the technical challenges that occurred.

- Clubs Days will be happening asynchronously from Monday, September 21st 8:00 AM PST to Friday, September 25th 7:00 PM PST with two synchronous portions on Wednesday September 23rd, from 11:00 AM-1:00 PM PST and 8:00-10:00 PM PST which will mimic the procedure adopted for Imagine Day

☐ Hatch

- Our new hatch website launched on September 11th - I would like to thank our Hatch Managers, Reiko and James, for the work they have put in thus far in ensuring that the gallery remained operational during these times. Our first exhibition takes place from September 14 - 30, 2020 through varied mediums and you can access it via this link: <https://www.hatchartgallery.com/and-so-they-print>

☐ Sustainability

- Our AMS Sustainability Symposiums will happen on the first friday of each month from 4PM - 5:30PM with the first one happening on October 2nd with the theme, Introduction to AMS Sustainability. This meeting will set the tone for subsequent symposiums by introducing the society to ASAP and our goals for the year while allowing discussions for potential themes that individuals will like to engage with in the future.
