Agenda Items

1. Diversity Mandate

Update:

HR / SLC / President came together, and we identified four areas of which SLC, HR, Governance and possibly other committees will look at further in depth throughout the 2020-2021 term. These include:

1. Reducing intimidation/selectivity during the elections process
 - a. Selective behaviour based on choosing candidates to share information with on a personal bias
 - a. **Goal:** Implementing some sort of workshop/information session in the early new year to target interested students, and share equal amounts of

information regarding how to run elections (how to's, do's and don't's, etc.)

2. Altering our lengthy elections process
 - a. nominations / voting lasts approximately two months
 - b. altering the process to last two weeks
 - a. concerns include voter turnout, although election periods don't always contradict the turnout
3. Increasing wages for student government executives
4. Reaching equity-seeking communities

SLC/HR will be presenting this Mandate update to council on August 26th. If you are staying on-board for the fall-winter term, you will have the opportunity to further investigate these topics!
