Agenda Items

1. Rocks, Sticks and Leaves. In your final ☹ email to me, please compile the following – (d) is the most important!

- a. Please note one thing that rocked this summer for you as a part of the SLC! (i.e., the Services Presentation)
- b. Please note one thing that will stick with you this summer, related to the AMS. (i.e., other available volunteer positions or ways to get involved)
- c. Please note one thing that will leave with you following our conclusion of this term. (i.e., the need to increase voter turnout and spread the word to your friends to vote!)
- d. Please write any additional comments that you would like to pass along to the future SLC team and Chair(s).

2. SLC in the Future:

Beginning in September, you will have the opportunity to re-run for this committee, and sign-up for others if interested! I encourage you all to continue pursuing student government. I will be stepping down from my role as Chair, so if you are eager and interested, in SLC, definitely run!! All of you are fantastic candidates!

3. Final Updates:

Affiliate Email Lists:

- a. Eric has noted that: there has been lots of positive progress. Sylvester has been leading the development of a MOU with the colleges regarding their lists, but overall, it looks like they'll be included in our future communications!
 - a. *This is a H U G E win for the SLC. If it feels in any way the slightest that you haven't made as much as a contribution to student life as you would have liked, just know that this change alone is absolutely ginormous for this committee, and the AMS as a whole, and each and every one of you played a pivotal role in our preliminary discussions and progression of this change.*

THANK YOU SO MUCH!

I wanted to say thank you for everything this summer! I had so much fun working with you all, and hearing all of your incredible ideas and passion toward bettering our student engagement strategies and increasing the reach of the AMS! If any of you would like a reference in any capacity, I would love to be of assistance.

I wish you all the best in the upcoming term, and hopefully we can "see" each other again soon!
