

Commerce Undergraduate Society General Election 2021
February 3, 00:00 – February 5, 23:59

CUS EA: Dorothy Tong
AMS Elections CEO: Isabelle Ava-Pointon

The Commerce Undergraduate Society ran an election on Simply Voting from February 3, 2021 at 12:00 AM to February 5, 2021, at 11:59 PM. 1064 of 3911 electors voted in this election, with a voter turnout of 27.2%

During the elections appeal period after the close of voting, Presidential candidate James Chen appealed the results of the Presidential race. The CUS Elections Committee ruled in favour of the appellant and ordered a revote for the position of CUS President. Candidate Grace Lee then appealed to the AMS Elections Committee. AMS CEO Isabelle Ava-Pointon made a ruling overturning the CUS EC's ruling, and upholding the original election results. Candidate James Chen decided not to appeal the AMS Elections Committee ruling. Please see the attached document for the full text of the AMS Election Committee's ruling.

These results have been sent to AMS Council and CUS Council and are certified by Isabelle Ava-Pointon.
