

SUBJECT	ANNUAL GOALS REPORT CODE SUSPENSION
MEETING DATE	March 24th, 2021
MOTION	<i>BE IT RESOLVED THAT Council suspend Code Section V, Article 12(2)(c), concerning the Student Life Committee’s review and reporting on the goals of the Student Services Manager, the Communications Manager, and the Events Manager, until a new Student Life Committee is put in place in May.</i>
PREPARED BY	Agam Gill, Chair of Student Life Committee
DOCUMENTS	N/A

DESCRIPTION & RATIONALE

Due to the issues the Student Life Committee has been experiencing with the reporting structure from the Events and Communications departments, it is unable to make a report on the annual goals of these parties. The best way to address this situation is to suspend this section of Code until the next Student Life Committee is in office. There are improvements needed to be made with the current reporting structure and these issues are currently being worked on and improved by the Events Structure Ad Hoc Committee. By suspending this section in Code, there will be more time to enhance the reporting structure, and it will be more efficient and enforceable by the time the next Student Life Committee is in office. There is currently no reporting of annual goals from these departments for the Student Life Committee to provide recommendations or suggestions on and with the end of the term nearing, it would be viable to look into this section of code, revamp it, and enforce a more structured reporting system for the next Student Life Committee to work with.
