

SUBJECT	Undergraduates of Canadian Research-Intensive Universities Bylaws
MEETING DATE	April 7th 2021
MOTION	BE IT RESOLVED THAT the AMS Council accept the proposed Undergraduates of Canadian Research-Intensive Universities Bylaws in principle.
PREPARED BY	Kalith Nanayakkara, VP External Affairs
DOCUMENTS	1. Association of Undergraduates of Canadian Research-Intensive Universities - By-Law Draft 7.docx

DESCRIPTION & RATIONALE

Following feedback from AMS Council and from various other stakeholders, the VP External Affairs office in coordination with the Executive Committee of UCRU has resolved those concerns. Presented tonight is the proposed final version of the UCRU Bylaws.

BENEFITS

Reputational,
Financial,
Sustainable, Social

Upon acceptance of these proposed Bylaws, the AMS would have an opportunity to enter into an agreement with UCRU to codify its membership within the federal advocacy organization.

RISKS

Financial,
Operational,
Reputational

This is in principle, and there are no financial, operational, or reputational risks foreseen at this time.

COSTS

Financial,
Resources, Lifecycle

N/A

TIMELINE
Implementation
Timeline

Once these Bylaws are approved by AMS Council, the AMS External Affairs team will begin communications with UCRU on a MOA.
