

# AMS Sustainability

June 2021 Report

# AMS SUSTAIBABILITY TEAM

Lauren Benson

Vice President  
Administration

Jason Pang

Associate Vice  
President Sustainability

Anisha Sandhu

Sustainability  
Projects Coordinator

# GOALS OVERVIEW

## **FACILITIES OPERATION**

SEEDS Sustainability  
Projects  
AMS Net Zero 2025

## **BUSINESS OPERATIONS**

Soapstand: Zero-Waste  
Refill Station  
AMS Waste Hub

## **ADVOCACY & LEADERSHIP**

Reimagined  
Sustainability  
Subcommittee

## **STUDENT SERVICES**

AMS Interactive  
Sustainability Center (ISC)  
AMS Thingery

## **CAMLUS COORDINATION**

Food Security Projects  
AMS Sustainability  
Communications

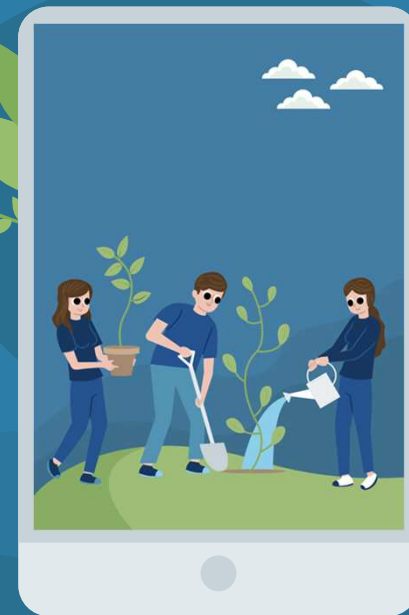

## **INDIGENOUS COORDINATION**

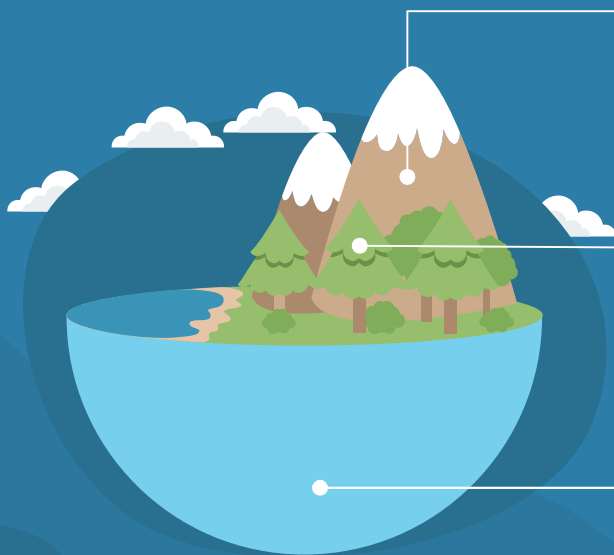

AMS Indigenous  
Strategic Plan (ISP)

# SEEDS SUSTAINABILITY PROJECTS

- Supply Chain Audit
- Promoting Food Sustainability on Campus
- Equity-based Grants
- Perception and impacts of grants on marginalized communities in which it affects
- Framing and Socialization Strategy
- Food & Beverage Innovation Center (FBIC)
- Outdoor Study/Teaching Spaces
- Waste Scale

# AMS NET ZERO 2025

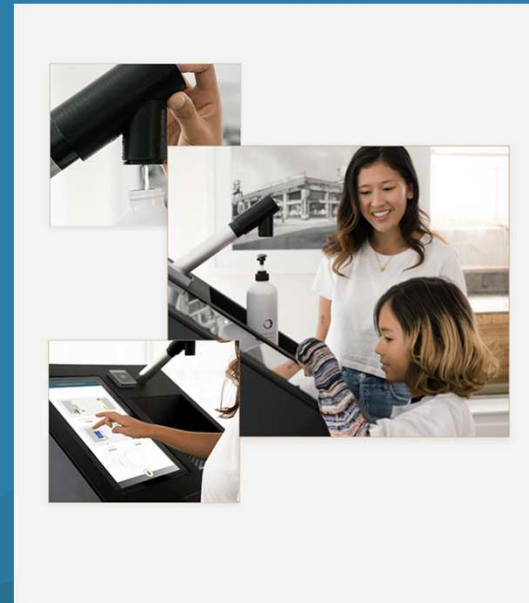

**Define** additional targets and actions for GHG reductions from 2020-2025

**Widen AMS Sustainability's scope** to include areas of influence extending beyond AMS operations, such as commuting, food, waste, material, and paper

**Map** out a process and pathway to achieve 20+ goals and targets

## SOAL STABD: MERO-WASTE REFILL STATION

- reduce everyday plastic consumption conveniently and sustainably
- shampoo, detergent, and more
- touchscreen interface for a seamless experience

# AMS WASTE HUB

**recycle hard-to-dispose materials:** e-waste, batteries, styrofoam, soft plastics, and more

## INTERACTIVE SUSTAINABILITY CENTRE (ISC)

- Find-a-friend wall
- Sustainability workshops
- Networking sessions
- Consultations
- Club office hours
- Physical resources

# AMS THIBGERY

- community-owned lending library of *things*
- self-service resource where students can check things in and out at their convenience
- recreation equipment, woodworking tools, event & entertainment decor, household appliances, and musical instruments

# FOOD SECURITY PROJECTS

“viable food options with dignity”

# IBDIGEBOUS COORDIBATIOB

AMS Sustainability is working towards creating an **Indeigenous Strategic Plan (ISP)** with the guidance of UBC's *Indigenous Strategic Planning Manager* and the *Assistant Director of the First Nations House of Learning*.
