**DESCRIPTION &
RATIONALE**

Asking for approval of pushing the presentation of the Ad Hoc Events Committee Report to August 25th. The rationale for this is that the VP Administration, who is chair of the committee, had to unexpectedly be out of office and therefore the committee was unable to meet in the allotted time frame. As the group could not meet the report was unable to be completed. It is acknowledged that this is the second time that the report has been pushed, but it was pushed the first time as AMS Events had not hired its Firstweek team, so it was felt that the report would not be as substantial as it would be if it were delayed until further planning could be conducted by the events team.
