March 5-9, 2018

Sustainable Food Access Fund
(Yes 7471, No 1283) Passed

Do you support the AMS establishing a Sustainable Food Access Fund through a refundable fee of $0.35 to support on campus sustainable food initiatives (subsidize food prices and increase programming at Agora Cafe and UBC Sprouts, and offer a student discount at the UBC Farm Market and Roots on the Roof)?

Yes side explanatory details: UBC students have limited access to sustainable food on campus. The Sustainable Food Access Fund will work to increase the affordability of four critical sustainable food outlets. Agora Cafe and UBC Sprouts are two student run initiatives that work to combat student food insecurity by offering affordable, organic, locally produced food at three on-campus cafes. In order to maintain the affordability of their food and services, they require additional funding.

The UBC Farm and Roots on the Roof are two on campus growing operations that offer three farmers markets and weekly veggie box programs. They have found their price point to be a barrier to student access and therefore wish to offer a student discount on produce.

This referendum would fund these four initiatives to achieve their goal of providing UBC students access to sustainable food. Agora Café and UBC Sprouts would receive funding to continue offering low prices, expand current community programing, and increase sourcing from on campus food producers. UBC Farm and Roots on the Roof would receive funding to implement a student discount.

March 6-10, 2017

Athletics Facility Fee

The Fee will not be levied until an agreement between the AMS and the University has been reached including but not limited to the terms of the financial contribution of the University, and construction has started.

- The amount of The Fee will begin at a rate of $5. It will increase to $10 the year following, and will continue to increase by $5 per academic year up to a maximum of $25.
- The Fee would be levied on all UBC Vancouver students on an annual basis.
- The Fee would continue to be levied until the AMS has completed all its financing obligations for the student fitness and recreation building.
- The AMS Council will establish a process for active AMS members demonstrating need to apply for a refund of The Fee.
- The Fee will finance a maximum of $22.5M dollars towards project costs. The AMS’ goal is to use the momentum generated by the referendum to negotiate with the University to secure as many funds from UBC as possible to finance the remainder of project costs.

March 6-10, 2017

**Fee for UBC Athletics and Intramurals**
- **(Yes 3394; No 1411)**

  Whereas UBC Athletics and Intramurals contribute to the social and personal lives of UBC students; and
  Whereas the University has decreased funding to Athletics and Intramurals while the costs of these programs have increased; and
  Whereas an increase in student funding will allow UBC Athletics and Intramurals to continue current programs and services;
  I support the implementation of a $3 per year increase, not to exceed $15 over 5 years, to benefit UBC Athletics and Intramurals.
[Note: This $15 fee has been combined with the older $6 Intramurals fee (see the 1996 referendum) to create a $21 fee.]

Fee to aid needy students
(Yes 3153; No 1604)

Whereas the University's Board of Governors passed in 1997, on the recommendation of the President's Office, a new tuition fee increment to the Student Aid Fund of $12.00 per year; and

Whereas the BC Supreme Court has ruled that the action of the Board of Governors and the President's Office contravened the Tax and Consumer Rate Freeze Act, and is therefore illegal; and

Whereas the University is under a court order to refund to all students the $12.00 increment for the Student Aid Fund; and

Whereas it is important to aid financially needy students, and to promote the civil right of equal access to education for all, notwithstanding the illegalities committed by the Board of Governors and the President's Office;

I support a $12.00 increase in the AMS fee, refundable upon request, to financially aid needy students.

Note: 100% of these funds will be dispensed as bursaries to UBC students.

March 16-18, 20, 1998

Fee for a student legal fund
(Yes 3553; No 1221) Passed

Whereas student interests are best established in a court of law;
Whereas there currently exists no organisation for the sole purpose of providing support for, often costly, court cases brought by and for the students of UBC;
Whereas the Student Legal Fund will be established to fund cases to improve education and the accessibility to education at UBC;
I support the collection of $1 annually as a student fee to be put towards the Student Legal Fund, this fee shall be refundable to individuals upon request.

Childcare bursary fund
(Yes 5,173; No 1,499) Passed

“I support the ‘Evelyn Lett Childcare Bursary Fund’. A fee of $3.00 per year per student for three years will be levied to create this bursary fund. The University will match my donation dollar for dollar. This fund will provide bursaries for UBC students with childcare needs.”

January 15-19, 1996

Reallocation of former $7 Athletics fee
(Yes 5,086; No 1,521) Passed

“I support the re-allocation of the $7 Athletic Fee in the following manner:
   a. $1.50 to Intramurals to maintain and improve existing programs
   b. $.50 to W.U.S.C. Refugee Fund to allow the UBC branch of the World University Services Canada to continue to support two refugee students at UBC each year. This allocation will increase from the current $0.50/student
   c. $3.50 to External and University Lobbying and Advocacy to allow the AMS to adequately lobby the government, the University and the community-at-large on issues concerning the students of UBC
   d. $1.50 to Resource Groups to ensure adequate funding for resource groups such as the Student Environment Centre, Women’s Centre, Global Development Centre and GLBUBC

Note: This question will not increase the AMS membership fee levy.”

[Note: This raised the Intramurals fee to $6 and the WUSC refugee fee to $1. For later increases to the refugee fee, see the referendum questions in 2008 and 2016. For Intramurals, see the 1998 referendum. The lobbying fee was abolished in the 2014 referendum.]

Ubyssey autonomy
(Yes 3,242; No 2,082) Passed

“Be it resolved that the members of the Alma Mater Society recognize *The Ubyssey* as the official student campus publication, that $5.00 per active member per year (pro-rated for part-time students) be collected on behalf of The Ubyssey Publications Society and be paid forthwith to The Ubyssey Publications Society for the publication of an autonomous student newspaper at The University of British Columbia.”

CPAC (Capital Projects Fund) Mandate Expansion
(Yes 3,371; No 1,599) Passed

I support adding the following projects to the mandate of the existing $15.00 Capital Project Acquisition fee, which was approved in a 1982 referendum:

**PIT EXPANSION:**
To expand the Pit Pub into the area occupied by the Thunderbird Shop and renovate the interior. This will increase capacity and make the Pit wheelchair accessible.

**SUB RENOVATIONS & EXPANSION:**
Including the construction of club offices on part of the second floor courtyard.

**WHISTLER CABIN RENOVATIONS & EXPANSION:**
To expand and improve the AMS Whistler Lodge.

**ARMOURIES REPLACEMENT:**
To development a low-cost, multi purpose replacement for the Armouries.
Note: This question will not affect the AMS membership fee levy.

*[For later changes see the referendums in 2011, 2012, 2014.]*
January 30-February 1, 1985

Refugee Student Referendum
(Yes 2,578; No 842) Passed

I support the proposal to establish an annual Alma Mater Society (A.M.S.) fee of 50 cents per student to allow two refugee students to attend U.B.C. for a period of one year.

[See the 2016 referendum for latest amount.]

November 15-19, 1982

Fee Increase ($3 for Intramurals, $2 for AMS, and $15 for CPAC)
(Yes 6,625; No 2,175) Passed

I am willing to support the following:
- $3.00 for Intramurals: to support administration costs and facilities;
- $2.00 for AMS: for AMS to support student groups, political activity, media, service organizations, add new services, new equipment, and possible student aid funding;
- $15.00 for the following specific major projects only:
  - **SUB**: Development of the 16,000 square foot undeveloped area located mainly under the plaza between SUB and the Aquatic Centre for large bookable space, club offices and facilities, student run services and other student use that is necessary;
  - **Whistler Cabin**: Purchase of the land under the AMS Whistler Cabin (approximately $70,000) so we do not lose the cabin;
  - **Daycare**: renovation of the 250 units of day care to prevent its closure December 31st, and also for the eventual construction of new day care facilities;
  - **B-Lot Barn**: renovation of the 6,300 square foot Horse Barn located in B-lot with a large bookable party-room sized area upstairs, a two bay student garage, wood/metal shops and small neighbourhood pub downstairs;
  - **Athletic Facilities**: development of athletic facilities in the vicinity of SUB, possibly including a large multi-purpose gymnasium or fieldhouse, a lit all weather artificial field, racquetball, squash courts and covered tennis courts;
vi. **SUB**: sprinkler system for SUB (only if needed) to prevent SUB from being completely shut down;

vii. **Improved Parking**: construction of a low profile revenue-generating parkade beside Gage Towers;

viii. **Housing**: development of on-campus housing;

By having $20.00 per year added to the current AMS fee

*[This raised the Intramurals fee from $1.50 to $4.50. It also introduced the first standalone capital projects fee. See later referenda for expansion of its mandate, change in its name, and changes in amount.]*

March 13-16, 1979

**AMS Fee Increase from $9 to $11, including Intramurals**

(Yes 3,360; No 1,375) **Passed**

Should the present AMS fee be increased from $9.00 per active member per year to $12.00 per active member per year, with $1.50 of this increase being applied to the AMS Intramural Program?

*[This introduced a dedicated fee for Intramurals. See later referenda for increases.]*

March 10, 1966

**AMS Fee Exemption for 3rd and 4th year Medical students**

(Yes 3,033; No 833)

Whereas the third and fourth year medical students, because of their off-campus location, are unable to benefit from the vast majority of the activities of the Alma Mater Society though they are paying full AMS fees, and

Whereas the Board of Governors of the University and the Students' Council of the Alma Mater Society find the following to be a satisfactory relief of the situation;

Be it resolved:
That commencing with the year 1966-67 the third and fourth year medical students be exempted from the AMS fee.
