Campus Vision 2050

- Presented AMS priorities at the Board of Governors Campus Vision 2050 Advisory Committee meeting on Wednesday, March 15.
- Next steps
 - The draft 30-Year Vision, draft Housing Action Plan (HAP) and recommended Land Use Plan (LUP) amendments will be refined to reflect engagement feedback and additional technical work, and presented at the **June** Board of Governors meeting for support-in-principle and referral of the LUP to a public hearing in **September**.
 - Following the public hearing in the fall, the final 30-Year Vision, HAP and LUP will proceed to the Board of Governors for approval, at which point the LUP will be submitted to the provincial government for adoption. Following provincial adoption of the LUP, engagement on the 10-Year Campus Plan and future Neighbourhood Plans will begin.
