

Office of the President

Report to Council, June 16th, 2023

Strategy and Governance

- As our previous Strategy and Governance Lead has decided to pursue a different job opportunity and has left the AMS, we've been hiring for a new Strategy and Governance Lead who starts Monday June 19th
- Establishing a working group of members of last year's Ad-Hoc Governance Review Committee to draft a report as well as aid in the implementation of recommended changes

Special Projects & Constituency Relations

- Putting together a year plan for future events such as AGM, Just Desserts, and Awards Night and considering different spaces for hosting
- Met with Presidents Council for the first time this term and hit quorum
 - Exploring changes to Interfaculty Cup including the AMS hosting events and a playoff format to encourage participation through to the last event
 - Exchanged contact info for the caucuses, looking forward to increased turnout and engagement
 - Working on establishment of an Equity Caucus and potentially a Caucus for room/building/constituency space managers
- Working on a summary of all Constituency-Relevant Policies to make sure Constituencies actually know which rules we expect them to follow
- Working with our VP Finance to establish a booking relationship with constituencies
- Working closely with the Co-Chair of the Indigenous Constituency to support the transition from the committee to the constituency model

Executive Management

- Working on our Exec Committee goals
 - Major goals include Strengthening Connections + Community, Strategic Plan Implementation, Financial Sustainability, and Student Life + Wellbeing

Miscellaneous

- Finalizing the President's Office's Goals
 - Major goals include Establishing + Strengthening Relationships, Student Advocacy + Collaboration with the University, and Implementing + Clarifying AMS Policy
- Met with executives and managers to collectively discuss strategic plan implementation in all departments of the society
- Working with AMS Events on plans for Welcome Back BBQ

- Working with our Equity & Inclusion Specialist on plans for the year and connecting with various student and equity groups
- Met with Studentcare and HUB International to go over insurance numbers at this point in the policy year and potential ways forward for renewal of the plan in September
