Report to Council, July 12, 2023

Key areas to highlight outside of regular operations

Health and Dental Plan

- Worked on gathering information and understanding of our Health and Dental plan coverage with Studentcare and HUB and supporting the renewal process with the H&D Committee. More information and details regarding this to be discussed in the coming month.

Businesses and Services Goals

- Have been working with Senior Managers to build out the overarching Business and Services goals in alignment with the Strategic plan and Exec goals. These will be presented to Executive Committee within the upcoming month.

Events Planning

- Worked with AMS Events to provide supports and resources around event planning and project management to help establish improved systems for better outcomes.

Sponsorship Coordination

- We are working on a new collaborative approach across the AMS for securing sponsorship. Some of these strategies we will be able to implement for this year, and some will take longer and will be for next year due to operational needs and timing.

Updates

- Annual Financial Audit has started
