

1. UBC Senate still has not met. They will be meeting in September. Therefore, nothing to report.

2. Admissions committee has had a full committee meeting (rather than admissions appeals that are in camera and just for senators). Topics that may be of interest include Student Mobility Agreements which relate to the larger topic of UBC's relations and affiliations with other universities around the world, including in countries where human rights and student safety may be of concern.

3. As always, feel free to let your Senate reps Mathew and Hubaib know if you have any questions, and also feel free to reach out to the rest of the Senate Student Caucus, especially Kamil and Kareem, the Caucus chairs.
