

Senior Manager, Student Services

Report to Council, 2 August 2023

Advocacy:

- € Case volume is relatively high at the moment, in part because PACSD has been trying to clear their backlog of cases.
- € We continue to see a number of cases related to appeals with the CFA.

Food Bank

- € Food Bank renovations started on Monday. Distribution is taking place from the Interactive Sustainability Centre, just down the hall from the Food Bank, with a somewhat limited menu (no milk and no donated perishables).
- € Recruitment has begun for volunteers for fall term. Training plans are also well underway.

Peer Support

- € Peer Support volunteer hiring is complete. Training began for Team Leads over the weekend.
- € Our support procedures for the upcoming year are being finalized, along with new documentation.

Safewalk

- € Vroom Est is back from the shop and now fully repaired.

SASC

- € SASC Manager hiring is ongoing.
- € The team is working on many workshops and training sessions for September and August, including some for club executives with the VP Administration team.

Tutoring:

- € Tutoring interviews are underway. We have strong candidates for all desired areas except for GRE.
- € Tutoring will be working with Kamil's team for an Academic Resource Fair in October.
