

Office of the President

Dear members of AMS Council,

At the Agenda Committee, we set the agenda.

All the best,

Esmé Decker

President

Alma Mater Society

(PS: Jokes aside, we also received goals from the Student Life Committee, the Operations Committee, and checked in on goals progress from the Advocacy Committee, HR Committee, Finance Committee, and Governance Committee, which are well underway. We encouraged the timely sending in of minutes and collecting of unapproved minutes from past years. We also discussed the Code of Conduct for councillors and navigated the implementation of this newly written and named committee. But mostly we set the agenda.)
