Our 4 main goals are: Increasing Engagement With Student Body, Collaborating with AMS Events and AMS Services to Explore Potential Improvements, Establishing an Interfaculty First Year Committee as Subcommittee, and maintaining and improving Council Environment through Council Socials.

Review and Feedback of Services Goals

The committee conducted a review and feedback session of Services Goal prior to their presentation to Council. The goals were approved by the committee.

Council Social

Planning has begun on a Council Social for late September when more members of AMS Council are able to attend in person.

Interfaculty First Year Committee

Interfaculty First Year Committee is a continued initiative from last year and will be established as a subcommittee of Student Life Committee.

We have reached out to President's of each constituency which will have a seat on the Interfaculty First Year Committee. With this information, timelines regarding when first year representatives
