

Office of the VP Finance Office

Report to Council

Accounting Office

- Working with Accounting office to update budgets into Business Central.
- Continued work with accounting team to ensure their needs are met and we are able to begin the process of identifying a finance role for the AMS.

Financial Literacy

- Working with AMS Events and different constituencies such as the CUS to plan and promote financial literacy events for the school year.

Health and Dental

- The committee met a few days ago and we have successfully changed the plan funding model from refund accounting to fully insured model. This will ensure a pathway towards stability for the plan.
- Working with Sophia and other stakeholders to have an effective communication strategy highlighting the plan's benefits.

Sponsorships

- We are working with different departments that require sponsors throughout the year. We are sharing our resources and working together to efficiently communicate with sponsors.

Treasurers and Credit Cards

- Continued authorisation of treasurers and their credit card applications.

Opt in Opt out Campaign

- Working with AMS communications to plan a schedule for opt in opt out campaign.
- Reaching out to constituencies to promote the campaign and ensuring students all across campus are aware of this.
- Updating all the forms to be digitalised to be in line with the 2022 referendum.
