Office of the President
Report to Council, Sept 13th, 2023

Strategy and Governance
- Reaching out to third party consults to help plan and facilitate a professionally advised consultation process for the continued review of PC1 and PC2
  - Committed to consulting students and staff more over the next month/term to address feedback more comprehensively and have folks feel heard
- Review of CM4: Communications with the Musqueam passed!
- Working on plans for further policies up for review this year

Special Projects & Constituency Relations
- Great to see many of the constituency presidents at the Pep Rally and Imagine Day!
- Interfaculty Cup planning is in the works and steps are being taken with the VP Student Life Caucus to plan out the year
  - Date selected for October sports event! Waiting on booking confirmation

Updates on Goals
- *Establishing and Strengthening Relationships*
  - Excited to announce that we have signed a Memorandum of Understanding with the Interfraternity Council!
    - Recognizing a mutually beneficial relationship and a shared goal of improving campus safety and student life
    - Centred around access to AMS Services like Safewalk
    - Working on agreements with the Pan-Hellenic Council
    - Reached out to other social groups on campus about connecting with Safewalk
  - Connecting with Student Legal Fund Society to provide space and promotion for their clinic with the Law Students' Legal Advice Program
- *Student Advocacy and Collaboration with the University*
  - Meeting with the Food Security Initiatives group and Enrollment Services to discuss shared priorities and potential connections
- *Approachable Engagement for All Students*
  - Supporting the VP Finance office's information campaign about opt-out and opt-in fees + making sure Presidents Council is aware so that this info can be shared through constituencies
- *Supporting AMS Services and Businesses*
  - Checking in with our Events Manager to ensure the Welcome Back BBQ in its format this year will be safe, fun, and affordable, with connections to AMS Services and showing the faces of the AM
