

Peer Support

- € Peer Support harm reduction operations are online and drop-in Naloxone training has been available since first day of classes.
- € Peer Support support sessions start today (Sept 13).
- € Peer Support hosted an event with the SASC for a colouring book event at Jump Start, which was a huge success, in large part thanks to the students who submitted artwork to make these books possible.

Safewalk

- € Safewalk piloted the program picking up students at regularly scheduled events during First Week. The pilot was successful and we had around a 40% increase in the number of interactions from the same time last year.

SASC

- € The team is currently onboarding two new support workers.

Tutoring:

- € Tutoring is beginning next week and Tutor training finished earlier last month.

Food Bank

- € Volunteer training is now wrapped up, and we are back open after being closed for the first week of September.
