

## **Office of the VP Finance Office**

### Report to Council

#### **Q1 Report**

- In the process of finalising all the variances between different business and executive portfolios

#### **Financial Literacy**

- Working with AMS Events and different constituencies such as the CUS to plan and promote financial literacy events for the school year.
- Meeting the CUS VPF on Monday to discuss additional resources that can go out for students

#### **Health and Dental**

- Working with the GSS Financial Officer and the committee to correctly amend the health and dental contract to reflect a guaranteed 10% reserve on our accounts.
- Worked with student care to release promotions about the H&D plan for incoming students.

#### **Sponsorships**

- We are working with different departments that require sponsors throughout the year. We are sharing our resources and working together to efficiently communicate with sponsors.

#### **Treasurers and Credit Cards**

- Continued authorisation of treasurers and their credit card applications.

#### **Opt in Opt out Campaign**

- As of this morning we have processed over 2100+ opt outs for students saving them an average of \$37,000
- Reached out to presidents council to promote the campaign and ensuring students all across campus are aware of this.
- Successfully got all groups to update all the forms to be digitalised to be in line with the 2022 referendum.

#### **Reviewing fund application and assessment review**

- Working with the AMS Equity and Inclusion Specialist to update the language and accessibility of fund applications.
