

Office of the President
Report to Council, Oct 11th, 2023

Strategy and Governance

- Third party consults to help plan and facilitate a professionally advised consultation process for the continued review of PC1 and PC2
 - Received 4 proposals, selecting between them
- SR1 here for changes!

Special Projects & Constituency Relations

- Finalizing AGM agenda
 - Will be mainly an info session on how the AMS works, what the Executive roles do and have done this year, plus a presentation from Campus Vision 2050 on upcoming student engagement opportunities
- First Interfaculty Cup Event
 - Sports Day at McInnes Field on Friday Oct 13th!
- Meetings with Constituency representatives on a variety of issues raised to the AMS

Updates on Goals

- *Establishing and Strengthening Relationships*
 - Affiliates Non-Voting Member Seats discussed with committee to bring in more representation for all three colleges
- *Student Advocacy and Collaboration with the University*
 - Met with IRP team to keep working on communications strategy for students knowing about the Workday Student transition
- *Implementing and Clarifying AMS Plans and Policies*
 - Review of SR2: Records – setting up a meeting with the Ubyyssey for consultation
 - PC6 – will be setting up meeting with the AMS Equity specialist to further discuss comments made by the former Policy Advisor on the draft from last year
- *Approachable Engagement for All Students*
 - New calendly link for setting up meetings with students! Available on the AMS Executive page

Miscellaneous

- Supporting the VP External team with any oversight needed, checking in on provincial lobbying priorities and coordinating collaborations across VPAUA and VPX portfolios
- Working on clarifying code with our Clerk of Council and Governance Committee
