

Office of the President

Report to Council, October 25th, 2023

Strategy and Governance

- Consultant being confirmed for PC1 and PC2 review
 - Representatives from SASC and Resource Groups have now been sent in for the Working Group
 - Will come together once the consultant is ready to start facilitating the process
- Had a meeting with Ubysey editors to discuss SR2 Records policy review

Special Projects & Constituency Relations

- First Interfaculty Cup Event went well! Reached max. capacity and all teams at the Sports Day seemed to be having fun and enjoying themselves
 - Working with constituencies on further events this term
- Held AGM last Thursday - thanks to everyone who came!
 - Presentations went well, thanks to everyone who presented from Archives, Campus and Community Planning, Executive team, Services, Equity and Inclusion, and Events!
 - Was an experimental year to see how many people would attend without door prizes and eye-catching motions - definitely fewer people than years with prizes
 - Recommendation to future years to bring back the in-person AGM format

Updates on Goals

- *Student Advocacy and Collaboration with the University*
 - Met with Equity and Inclusion Office team to share about what the AMS and EIO are and do, and to share priorities for the year
 - Connected IRP team with SUO President to make sure UBC Okanagan students are also being included and informed about the transition from SSC to Workday Student
 - Discussed student engagement opportunity for 25-30 students of diverse background
- *Approachable Engagement for All Students*
 - Calendly has been working well for office hours - definitely more meetings being set up with students interested in coming by to discuss important topics and get to know each other better!

Miscellaneous

- Welcoming Dr. Bacon to campus as he prepares to begin his time as UBC President!
