

October 18, 2023 – AMS Elections

To: AMS Council and Constituency Elections Officials

This letter is to certify the results of all currently completed elections (elections ending before October 18, 2023) held by our constituencies in winter term one that used the electronic voting system provided by AMS Elections. The time for appeals and complaints to AMS Elections has elapsed. AMS Elections has received no complaints or appeals that would have altered the election outcomes. As the AMS Elections Administrator, I certify that, to the best of my knowledge, these results are accurate and that the elections followed all applicable rules. Therefore, the Official Results for the elections run by the listed constituencies can be found below at the following publicly accessible links:
