

## Office of the President

Report to Council, November 8th, 2023

### Strategy and Governance

- PC 1 and PC2 Working Advisory Group had initial meeting on Nov 1st to go over community agreements and expectations for the group

### Special Projects & Constituency Relations

- Connecting with constituency presidents and representatives, meeting executive teams and attending councils to get an on-the-ground perspective of how different constituencies work
- Planning out November and December Interfaculty Cup Events
  - November: Trivia Night between all the Constituency Exec Teams to bring people together across constituency leadership and have student leaders get to know each other
  - December: full month scavenger hunt as a fun de-stress activity through Finals

### Updates on Goals

- *Establishing and Strengthening Relationships*
  - Continuing connections and communications across groups
- *Student Advocacy and Collaboration with the University*
  - Continuing conversations around food security, mental health, tuition, and the SSC -> Workday Student transition with various staff of the UBC VPS Office and IRP
  - Attended Campus and Community Planning's Land Use Plan Public Hearing to support our advocacy VPs' statements and hear community feedback
- *Implementing and Clarifying AMS Plans and Policies*
  - Continued work on clarifying code with our Clerk of Council
- *Approachable Engagement for All Students*
  - Continuing meeting with students curious about the AMS and getting involved
  - Helping journalism students with interview assignments wanting to learn more about student issues
  - Got through email backlog!
- *Supporting AMS Services and Businesses*
  - Discussing Block Party plans and making sure Student Life Committee is able to support with student input

### Miscellaneous

- Helping with ASAP Working Group discussions
- Hiring Executive Assistant to help support across the executive offices
