

Advocacy:

- € Advocacy published an academic misconduct guide for Academic Integrity Week. This resource is available on our website.
- € We are seeing an uptick in cases now, which is in keeping with what we usually expect around midterms.

Peer Support:

- € Peer Support is in the process of planning wellbeing events for the month of November. More details about this will be coming out soon.

Safewalk:

- € We are delighted to welcome Omid as the new Safewalk Coordinator!
- € One of our vehicles is in for maintenance because of a battery issue.
- € October was a very busy month for us, with around 4x the number of interactions as the same month last year.

Food Bank

- € Planning for Holiday Hampers is well underway now, and we currently have a survey circulating with clients asking about what items they would like to see included this year.
- € We are also planning an event for students at the end of the month to paint cards for the holiday hampers.
- € Despite closures for long weekends in October, the month was our second busiest ever at the Food Bank with 2,215 visits.

SASC:

- € We are delighted to welcome Ophelia, the new SASC Manager, who started with the team on Monday.
