

**Office of the Acting President**  
Report to Council, November 22, 2023

**Strategy and Governance**

- PC 1 and PC2 Working Advisory Group had an initial meeting and is connecting asynchronously while the consultant engages in consultations.

**Special Projects & Constituency Relations**

- Connecting with constituency presidents and representatives, meeting executive teams and attending councils to get an on-the-ground perspective of how different constituencies work.
- Planning of AMS annual Awards Reception is underway, venue booking is being investigated and award categories are being determined.
- Just Desserts planning is underway, venue booking and award categories are being confirmed.

**Plans and Policies**

- Working to look at broader strategies for strategic plan implementation.
- Working with the Equity and Inclusion Specialist to begin the process of reviewing the Equity Action Plan and developing training resources related to anti-racism.
- Working to identify and rectify redundancies in AMS Code and policies.

**Engagement and Management**

- Continuing meeting with students curious about the AMS and getting involved.
- Discussing plans for Block Party and other AMS Events to ensure utmost output.
- Working to better relationships with Athletics and Recreation in relation to current commitments in existing MoU's.

**Miscellaneous**

- New Executive Assistant has been hired and is currently working through various scheduling and administrative support needs.
- Continuing advocacy and support on the Workday Student transition.
