

Finance Committee

As a committee, we have met to discuss various areas to increase the financial accountability and oversight across the AMS to continue the ongoing goals of financial sustainability.

AMS Budget

The committee has overseen all areas of the budget as worked on by the Vice President Finance. The committee's oversight ensures that there are multiple levels of budgetary review before it is approved by council.

Q4 Report

The committee has overseen the quarterly report from the Vice President Finance outlining AMS' finances and budgeting. This report supports the aforementioned budget to provide explanation and insight as well as a holistic overview of the AMS and its executives, services and staff.

SPF Subcommittee

The committee has reviewed and reinstated the Sustainability Projects Fund Subcommittee. This subcommittee is tasked with the assessment of SPF applications, as well as reviewing SPF policy to ensure continued financial sustainability of this fund.

Campaigns & Outreach Commissioner

The committee has approved the position of Campaigns & Outreach Commissioner under the Office of the Vice President Academic & University Affairs.
